She's a personal attack against herself

kratos649 • 13 points • 27 June, 2019 07:05 AM

She has royally fucked her own career. Captain Marvel will be her last role and they might even recast the role in future movies...

YeastBeast33 • 3 points • 27 June, 2019 08:22 AM

Why whay happened ?

kratos649 • 7 points • 27 June, 2019 09:15 AM

She disparaged the fanbase along the lines of "white male losers" or some similar sentiment before the Captain Marvel movie came out. The opening weekend was significantly lower than estimates. Some other stuff. It was all over reddit for a while...

shamekhjr • 5 points • 27 June, 2019 10:48 AM

Not defending her but the movie still grossed over \$1bn so i don't think she's gonna be fired or something like that. Granted that the way she was acting since she got the role (AKA relate everything she does to feminism) is indeed disgusting

YeastBeast33 • 2 points • 27 June, 2019 09:21 AM

Well that's stupid. Why she hates white males , is this new kind of feminazism ?

Moldy\_Gecko • 1 point • 27 June, 2019 03:15 PM

That's been feminism for the past 2 decades.

YeastBeast33 • 1 point • 27 June, 2019 03:25 PM

Isn't this stupid ? Edit: Lol just realized i'm inside antifeminist sub :D

This just proves feminists' incompetence.

That just proves you're kind of a dick bro. . . Dont give them any reason to hate us other than the fact that we are correct in our stance against them.

shamekhjr • 11 points • 27 June, 2019 10:36 AM

Dude he just did it for the lolz man! Be cool bro

SCPKing1835 • 10 points • 27 June, 2019 08:32 AM

I don't know if you heard calling someone "dick" represents utmost despise and a disgraceful insult in Croatia, but ok.

Besides, my friend gave me the idea and I, a 13 year old kid, accepted, not thinking about the fact you just stated.

Moldy\_Gecko • 1 point • 27 June, 2019 03:17 PM

Just curious your basis for being anti-feminist at 13. And from Croatia ☐☐ which I can imagine could probably use some feminism.

SCPKing1835 • 3 points • 27 June, 2019 06:15 PM

My family was harrassed by extreme feminists for hearing my parents argue. And stop insulting my nation if you don't know anything about it.

If we "oppress" women, why do we have a female president, multiple consecutive female prime ministers and ministers. Many important people are female, including judges, politicians and members of parliament.

We're not Ottoman Empire. Women are treated extremely good and I support equality no matter the religion, gender or race.

I just wanted to joke, not insult people for their beliefs. I was bullied for liking Minecraft and being slightly socialist, so don't say I want to hurt people. I don't have to support anything, but won't bully others.

We used to joke when people were not ofended by everything.

Sorry to bother you.

Sincerely, SCPKing1835

Moldy\_Gecko • 1 point • 27 June, 2019 10:25 PM

You read way too much into my comment. It wasn't an attempt to insult you my dude. You're right, I didn't know much about Croatia, I just assumed and that was my bad.

Now, to the original point, how did they harass your parents? Was it just once, are they your neighbors? 13 is kind of young to have experienced much of feminist negativity imo. So, if you could elaborate, I'd appreciate.

azmareld • 3 points • 27 June, 2019 04:41 AM

hhahaha lol nice one

AlicornGamer • 3 points • 27 June, 2019 06:54 AM

they cant even take a fucking joke. it isnt even the typical *men exist* version either... ffs

shamekhjr • 3 points • 27 June, 2019 10:40 AM\*

Btw what comments did you get on that post when you put it on r/Feminism before you got banned? And how many upvotes, or should i say downvotes did you get?

SCPKing1835 • 4 points • 27 June, 2019 10:52 AM

I got 8 downvotes and a comment saying I'm a sexist, transphobic, white piece of shit. Very typical and

indeed expected.

shamekhjr • 3 points • 27 June, 2019 11:01 AM

I understand them calling you sexist and a white piece of shit but what does transphobic have to do with this? Plus 8 downvotes isn't too bad

SCPKing1835 • 2 points • 27 June, 2019 12:29 PM

I have nothing against women or transgender people. I'm a supporter of suffragetism and equality. I strongly disagree with all types of supremacy.

AntiFeminist11 • 1 point • 27 June, 2019 02:19 PM

Can you send a deletedreddit link or something

I give it 3 minutes before they take it down for “uneducated posting” or whatever

AntiFeminist11 • 2 points • 27 June, 2019 02:16 PM

I posted a meme that said:

Men: exists Feminists: triggered

Main account got banned in 2 minutes

neatsqueefs • 2 points • 8 July, 2019 02:26 AM

Feminists existing is apparently a personal attack on men. Cry babies everywhere.
