MrOceMcCool • 11 points • 11 May, 2019 05:00 PM

I love how they disable comments on their posts so sane people don't spit the truth. Pathetic.

Dogedoomofinternet[S] • 8 points • 11 May, 2019 05:03 PM

Itzyaboilmaooo • 5 points • 11 May, 2019 08:57 PM

r/TheFairerSex literally sees men as subhuman, and some of the people on there see men as demons, even! The level of sexism coming from them is unreal

[deleted] • 4 points • 11 May, 2019 03:51 PM

What are we sorting by?

ProfChocolateCake • 4 points • 11 May, 2019 07:33 PM

I don't think a war would be necessary, the feminists are already turning against each other.

Dogedoomofinternet[S] • 1 point • 11 May, 2019 09:07 PM

Well yes, but we have to defend ourselves, the only way we can attack, is downvoting, so we have to wait until they attack.

muninn_burb • 3 points • 11 May, 2019 03:44 PM

onnellinen melu :)

Itzyaboilmaooo • 2 points • 11 May, 2019 08:55 PM

lavekian • 2 points • 11 May, 2019 09:02 PM

Brigading other subs is a good way to get this sub banned

Dogedoomofinternet[S] • 1 point • 11 May, 2019 09:08 PM*

We defend ourselves, we attack only by downvoting, we wait for attack, and we Will win. But be careful , no risks.

Jabronskyi • 2 points • 11 May, 2019 09:51 PM

You want war? Fine. THIS MEANS WAR!!!

FINLAND111 • 2 points • 12 May, 2019 02:46 AM

FINLAND111 • 2 points • 12 May, 2019 11:17 AM

No, I got my name from that spongebob scene where Patrick was hit with a bowling ball from scribblebob and yelled "FINLAND!"

Dogedoomofinternet[S] • 2 points • 12 May, 2019 11:28 AM

Yes, i know that scene, its funny

Crazycatgirl16 • 2 points • 12 May, 2019 02:50 AM

Redgoldfishy • 2 points • 12 May, 2019 03:03 AM

Somebody should make an r/thefairestsex about men, see how fast it gets banned.
