

I want to have a way to talk to the moderators of r/insane people

So we all know the sub [r/insanepeoplefacebook](#) i hate it it is a trash anti trump subreddit the moderators are bias and bigota against trump and anything against Hilary gets downvoted then deleted and the poster gets banned as a friend of mine has gotten banned for bringing up the fact that hilary fought on the side of a child rapist twice and posting about it but people who post things like the wall is trash get upvoted to heaven i hate this subreddit i want to get in touch with their mods and talk about it like a sub reddit discussion all of anti fem and the mods from [r/insanepeoplefacebook](#). Plz spread the word until it gets to them
