This shit is so bad. The vast majority of rapists do go to prison, and so do a ton of falsely accused.

You're right. I've been working in LE for about the last 6 years. I've never seen a "rapist" go free. If anything, false accusations waste man hours and resources just to be prove false on a regular basis, and the liars are never held accountable -- *even after LE finds the lies demonstrably false in a founded case of false swearing* -- DAs just don't want to get a reputation for prosecuting "rape accusers/victims".

Our justice system is benevolent sexist trash. Good for lots else, but not protecting men from women.

I heard somewhere that only 8% of rapists go to jail, but where would they get that percentage from?

NightDemolishr • 2 points • 2 April, 2019 10:08 AM

Some FEMINIST said hey let's make up some bs fiesta statistics and call them facts like only 8% of rapists go to jail and 98% of rapists won't stay a day behind bars

GooseMan126[S] • 3 points • 2 April, 2019 10:52 AM

And that's because rape is hard to prove

"She doesnt count cause women are oppressed!" Ah shit, lemme change my gender so I can take peoples wallets without repercussion

GooseMan126[S] • 3 points • 2 April, 2019 10:51 AM

Yeah, I identify as a burnt piece of toast so criticizing me is toastphobic. I'm gonna go rob people because I'm oppressed

wheremypp • 1 point • 2 April, 2019 06:41 PM

GooseMan126[S] • 1 point • 2 April, 2019 07:00 PM
