Doesn't make much sense for feminism. It's more of "someone told me I was oppressed and there's no evidence for that, but I believe it because it's what I want to hear "

Yeah I'm also having a hard time applying this to feminism. Not sure what the OP meant by that.

You won't choke if you shove the food up your ass and poop out your mouth.

I love the "prevents starvation" like it doesn't.
