Kissing someone without permission isn't okay (of course), but a 6 year old likely wouldn't know that.

That's not to say disciplining them is a bad idea, in fact quite the opposite, disciplining is crucial for helping children to learn what to do, and what not to do. But suspending a 6 year old seems a bit harsh to me. For that age group, you'd usually only suspend students that knowingly repeatedly do wrong behavior.

If the kid was confronted several times before, sure! Send him home. Otherwise, this is stupid knee jerk PC nonsense.
