

**Let's spit on the graves of millions of dead WWI veterans because women sometimes get rapes in war. Your entire movement contains less bravery than each and every man who fought and died in the war.**

War Rape

Everyone is talking about wearing a [#poppy](#) or [#WorldWar1](#) [#RememberanceDay2018](#) - for the men who died. But today I remember all the women and girls who are raped in every war, indiscriminately. Women raped by enemy soldiers, friendly soldiers, occupiers, soldiers passing through.

Men die in war 'cause they're seen as enemies. They die for a fight. For women? You don't need to be enemy/rebel women. You don't need to be hated. Soldiers raped women they're protecting, villages they passed. To be raped - you don't need to be hated - just exist as a woman.

God, the comments on that are so oblivious and stupid. It hurts to read them.

I saw one that said fuck the us military. I say put her in a fucking gulag so she can rot. At least she won't spread her retard. Most of my family is either serving or has served, so to see people attacking the military that allows them to live in a county that lets them criticize the military is downright gross. The level of cowardice it takes to outright attacking the military shouldn't be possible

that pissed me off so much. imagine being that ignorant.

They act like its physically impossible for a woman to rape a man

GooseMan126[S] • 6 points • 29 March, 2019 12:04 AM

That's not really my point. I'm saying that you shouldn't attack veterans and those who died in battle to support a non issue about women who were raped 80 years ago

isaac29055 • 3 points • 29 March, 2019 02:58 AM

I know but their still stupid

SophistMonk • 9 points • 28 March, 2019 08:26 PM

Wow, just....Wow! I'd say they get dumber and dumber with every comment, but I'll quote Maybelline here "Maybe they're born with it."

Heres a brand new idea for her to try out.

Not disgrace people who died in battle but instead just go ahead and honour innocents who got hurt in the war.

GooseMan126[S] • 6 points • 29 March, 2019 12:03 AM

There's a way to bring awareness to women being raped in wars without trashing some of the most brave people to exist. (Also, the only place where rape is used in war anymore is in the east, not the west)

terrible-punmaster69 • 4 points • 29 March, 2019 01:16 AM

I agree with you.

As much I know most of the tape would be the trenches

Mythicaldragons0 • 3 points • 29 March, 2019 07:17 AM

She is obviously Ignoring the fact that soldiers in both WW1 and WW2 fought so everybody, (men , women and

children) could be safe and free. This bitch has the audacity to disrespect all the brave men who died for our country?

Goddess forbid men get even one thing that isn't immediately coopted to be about women.

Just wait a bit. While you're at it, raid their sub until you're banned

Maybe women should fight these wars and see how much of a nightmare it is. Have fun complaining about how women get raped in war when you're suffering from post traumatic stress disorder. The level of bullshittery women go to to shit on men is absurd. Like what's the point in it. Women have complained about men for years and what has it accomplished besides a bad reputation. I know not all women are mentally stunted but some women are and it's disgusting when they say shit like this.
