It's so glaringly obvious how little people care about men. I know it'll be even more so in a few years, hopefully by then even the most ignorant will notice it

virtualwar12345 • 19 points • 7 June, 2020 05:54 AM

It's all because of fucking simps

Woman cares about other woman and these Fucking simps also support other woman but at the end no one supports men

PapaTachancla • 3 points • 8 June, 2020 10:58 PM

All because of porn. Boys and young men watching porn get conditioned to only care about the looks of a woman, not caring about her morals or personality. Then they support the ones that whore themselves the most. The women with the least dignity proceed to bash men (especially men with conservative values) and these conditioned coomers agree with them because they think real life will be just like stepsister videos.

most likely not all because of porn

i watch porn really often

but i still value a lot of things when looking for a woman

There is no putting the genie back in the bottle.

Change has to begin with moralism.

itsalexcl • 4 points • 7 June, 2020 12:33 PM

Isn't the fact that the point that women should deserve same jail time is something that has to get off this person shows how much people ignore this issue. You are right, but ignorant people will continue to ignore it in the name of feminism.

This is he world we live in. You guys empowered them. This is how they thank you.

This was their agenda all along.

Washys_finet • -4 points • 7 June, 2020 01:47 PM

No it's just the women that get attention give a bad name to the true feminists.

ResistRealityArt • 3 points • 7 June, 2020 01:55 PM

It's just a hate group. Like all the others.

Washys_finet • -8 points • 7 June, 2020 02:23 PM

I don't think so

ResistRealityArt • 2 points • 7 June, 2020 02:28 PM

Washys_finet • -5 points • 7 June, 2020 03:59 PM

Good for u

Oceanfell • 4 points • 7 June, 2020 05:22 PM

Unfortunately, Feminism has been a hate group since the beginning. Fucking hell. My great-great-grandfather didn't get a vote, you know why? He didn't own land. That's all it was, you own land you get a vote.

Think of it like this: you are a part of private club, you pay into it which gives you privileges. All of a sudden, a group of people who aren't a part of the club demand the same privileges as you. You pay, they don't, yet they got it.

Back to the hate group thing: look up anti-feminism, look at all the hate they give men for just being men, then come back and say they aren't a hate group.

Washys_finet • 0 points • 7 June, 2020 05:24 PM

But they aren't all like that just like men's rights aren't all incels.

Oceanfell • 1 point • 7 June, 2020 05:25 PM

There is a difference between them. Women got equal rights long ago, from then men have lost rights.

Modern feminism is the cause of this. They are a hate group, plain and simple.

Washys_finet • 1 point • 7 June, 2020 05:27 PM

Lost rights. No. I don't know what delusion you are living but maybe get some help.

Dapaalet • 3 points • 7 June, 2020 01:56 PM

What the fuck is wrong with those mods. I think that most logical people would agree with that statement

JEBACMURZYNKKK • 2 points • 7 June, 2020 01:46 PM

A woman will never be stronger than a man!

frosieooo • 2 points • 7 June, 2020 05:02 PM

People are so stupid. If it doesn't fit the false narrative, things get deleted.

If anything, women have been prioritized. Open my door, save me and my child first, take the nasty construction jobs that require loads of manual labor, etc.

Women need to stop treating men like trash. There are so many good guys out there.

PucasPari • 1 point • 13 June, 2020 02:17 PM

The men should have taken the #metoo under the implication that they were also the victims of false allegations.
