

I'm still waiting for the "true" feminists to stand up and denounce her.

LOL the replies to this show exactly how fragile men are. The same men who insist all the time that women laugh at jokes about violence against us because "dark humour" and "relieving tension". Men are pathetic.

And because some men (not all of them!) clearly need context explained to them, the Corona tweet was in response to this article, outline *yet again* the unpaid domestic burden men place on women, because they can't care for their own fkn kids.

Men die more, women most affected. That's basically what she's saying.

Colombian-mra • 12 points • 23 May, 2020 02:55 PM

all feminists are scum

itsalexcl • 9 points • 23 May, 2020 03:29 PM

I have left hope that they would ever on mainstream media call out such women.

They can't even take care of their own fkn kids.

Maybe that's because you took them, Susan! Maybe it's because the court has double standards against men, Susan!

That justification is the lamest I have ever seen.

Egalitarianwhistle[S] • 5 points • 23 May, 2020 05:02 PM

I have come to understand that not holding other feminists accountable for bad behavior is a pillar of feminism. Hypocrisy only works if they agree to this.

Any feminist these days is cancer, they wouldn't do anything about it

"fragile men", bruh, clearly she's the fragile one. She criticizes a group of people and then they criticize her back and she gets all defensive. She needs to understand that she can be criticized too, damn.

Team_Skull_Xander • 2 points • 23 May, 2020 06:44 PM

How is she still verified on Twitter?

Egalitarianwhistle[S] • 3 points • 23 May, 2020 06:57 PM

Are you kidding me? The establishment is feminist now. They fucking adore Clementine. She appears on Australia News outlets all the time showcasing the feminist perspective.

McBlakey • 2 points • 28 May, 2020 08:58 PM

That's the most useful observation of her post. Ironically she thinks that it is more relevant that men do not see the humour in this. But in reality it is more pertinent to notice that feminists do not object to this type of comment at all.

It's the logic endpoint of... "you cannot be sexist against men."

ThatCat44 • 1 point • 27 May, 2020 07:40 AM

I am a male, but I am a feminist, But! I believe in equal rights and do not agree this fucking radical bullshit
