

I commented “Ironic how you say “I’m not a cum bucket” but you say “Shopping for men” and got banned from the sub. I guess women don’t apply?

I'm patient, so I'll just wait till you turn 40 and then we'll talk about "god's gift"

DarkNights292 • 3 points • 25 May, 2020 03:03 AM

Reddit is trash in general.

I'm sorry but most of the people I know who use tinder are not looking for a significant other. They want someone to fuck. Pure and simple. So, yes, there is more to her than being a "cum bucket", but for the most part, on tinder, that's probably all you are ever going to be.

I was eating dinner out (pre corona) and overheard 2 girls at a nearby table, both like 18-20 age, talking about their sex life and one of them is like yeah I think I'm gonna get a bf soon I kinda want one and it took everything in me to not loudly scream and leave. If I said that as a guy I'd be labeled a misogynistic pig that just wants to use girls as a means to an end, but what bothers me even more is the total different world where they can speak that into existence meanwhile I would have to fail again and again and again to even find someone who would want to seriously date.

I'm trying to not sound like an incel here but the differential in efforts to accomplish the same things for each sex are just in completely different realms and it's insane that it ever got to this point.

I guess she speaks for all women? Because a lot of normal ones are into being dominated lmao

[deleted] • 3 points • 23 May, 2020 05:59 PM

Well! Men don't want to be her fallout ready-to-settle-down-now plan. Win-win, I guess.

JZSquared • 2 points • 23 May, 2020 06:57 PM

I don't want 'wrecked' I don't want to be a 'cum bucket'. I don't want to be your 'personal slut'.

She would be all of these things for Chad.

Is the title missing a quotation mark?

Elliot385[S] • 1 point • 23 May, 2020 06:41 PM

Yep my bad

It's like those thots that stream their cleavage and legs on purpose via twitch and then pretend they weren't aiming at getting followers like that when shit hits the fan.

Women are manipulative, and the problem with this is that they know they can get the favor of some men by acting candid and all sugary to get whatever they want.

As soon as they have it, you're useless to them.

That same bitch would be outraged and probably end the relationship if her next "bf" had a small cock.

It always goes their way.

ThaCheeseNook • 1 point • 26 May, 2020 08:28 PM

I bet she dated one shitbag like this and assumed that all men were like that

wawwawawawaw • 1 point • 23 May, 2020 07:05 PM

The mans dick is quite literally God's gift to women...
