They don't care. They don't mind sexism as long as it's against men.

TheLaughingMelon • 30 points • 22 May, 2020 01:08 PM

They even deny that men can be discriminated against.

Jakeybaby125 • 17 points • 22 May, 2020 01:09 PM

Please tell me you're taking the piss.

DoubleDollars69 • 18 points • 22 May, 2020 05:34 PM

I remember feminists making a big deal out of NBA and WNBA. They are concurrently quiet now.

GodOfAtheist[S] • 32 points • 22 May, 2020 12:59 PM

Guys this ain't any meme, it's real. Try searching for "national commission for man".

seajayde[] • -25 points • 22 May, 2020 03:45 PM

Says someone who clearly hasn't actually searched it like the other people here. It's bs, it doesn't come up. Anyone can make a screenshot like that.

Diligent-Throat111 • 17 points • 22 May, 2020 03:55 PM

I just searched it and he's right the screenshot is REAL you moron

SJimPickins • 1 point • 22 May, 2020 10:31 PM

Im on your side, 100%, but the guy is right, i just googled it and i never got what the screenshot says. i got some sites about India and a change . org link, but no " did you mean" and a whole bunch of stuff about a women comission.

Sorry, but it checks out

*Edit- yes i am aware i am going to get downvoted simply for telling the truth, but it might stop someone looking foolish

EddardNedStark • 5 points • 23 May, 2020 03:10 AM

Depends on your search history

He might've *actually* gotten that

seajayde[] • 1 point • 23 May, 2020 02:42 PM

THANK YOU. Ffs. Love how some people are making excuses as to why it doesn't show for some. It either does or it doesn't and this doesn't. Everytime Google does something in the search results, it does it worldwide and on all devices. It's such a pointless thing to whinge about too, like the pointless things extreme feminists bitch about. But facts get downvotes. Let's all get outraged about pointless bs instead. That'll change things(!)

seajayde[] • -18 points • 22 May, 2020 04:02 PM

Wow, well that proves it then and what a comeback. Unfortunately it's your word vs mine and the other people who have commented here saying it doesn't happen. People trying to get drama going when it doesn't exist. Yaaaawn. Also get some better rebuttals, you sound like you're in primary school.

denis6566 • 6 points • 22 May, 2020 06:10 PM

Stfu

seajayde[] • -10 points • 22 May, 2020 06:58 PM

Wow an even better response, well that sure told me(!)

denis6566 • 5 points • 22 May, 2020 07:06 PM

Stfu

Diligent-Throat111 • 1 point • 23 May, 2020 02:27 PM

Yaaaawn.

Also get some better rebuttals, you sound like you're in primary school.

And you're calling me childish?!

seajayde[] • -1 points • 23 May, 2020 02:32 PM

Well done for repeating what the other person said, a day later.

Diligent-Throat111 • 1 point • 23 May, 2020 02:40 PM

So you couldn't deny being childish and instead resorted to trying to invalidate my accusation by saying "it was said before"? Got it!

seajayde[] • -1 points • 23 May, 2020 02:52 PM

This is a lame sidetrack. I said one thing that was childish. You said I was wrong cos you searched for it and it came up and you called me a moron. Well done cos I said one thing that was childish. Focus on that instead of the point. You're lying and childish. But continue to insist that you're telling the truth, even though it's not coming up for a few people here.

SlavNotDead • -1 points • 22 May, 2020 08:38 PM

Yaaaawn.

Also get some better rebuttals, you sound like you're in primary school.

It never ceases to amaze me how a living person can lack even the minimal amounts of self-awareness

seajayde[] • -2 points • 22 May, 2020 08:39 PM

Yes because people lying about faked screenshots are so much more mature than the people pointing out that they're fake.

SlavNotDead • 2 points • 22 May, 2020 08:46 PM

It does not matter who is "more mature" or "less mature".

Your argument was that his rebuttal sounds childish, which you promptly wrote in a childish rebuttal of your own, completely discrediting your opinion.

seajayde[] • -2 points • 22 May, 2020 09:06 PM

Well no. My childish rebuttal doesn't make his suddenly not childish.

KayeMKay374 • 17 points • 22 May, 2020 03:15 PM

I actually searched it up and found a mens rights movement in india, but it was only the news discriminating against the movement

AtomicGaming34 • 11 points • 22 May, 2020 03:27 PM

Uh I searched it and it worked

allias24 • 2 points • 22 May, 2020 04:24 PM

I couldn't get it to happen. Damn

StarlexYT • 1 point • 22 May, 2020 04:29 PM

I couldn't get it to work on phone but that might also be because I'm not in the US

allias24 • 1 point • 22 May, 2020 04:30 PM

I'll try my pc in a bit

StarlexYT • 1 point • 22 May, 2020 04:31 PM

I will too but I'm on my way back home from handball training

seajayde[] • -1 points • 22 May, 2020 07:08 PM

No-one can. It's fake to cause bs outrage.

dirgros • 2 points • 22 May, 2020 05:17 PM

Men are not allowed any space under gynocentric tyranny. Only those people with cunts count.

Drayelya • 2 points • 22 May, 2020 10:06 PM

Google? More like gargle because they're gargling that feminist kool-aid.

NibblyPig • 4 points • 22 May, 2020 05:52 PM

What's with the results? 56,30,00,000 ? comma horror!

I hate stuff like this anyway, it's clearly right in correcting you since there isn't a national commission for men.

If you search "national committee for women" it corrects to

Including results for national *commission* for women

Just another complaint against algorithms and common sense that undermines purpose

nestofbees123 • 1 point • 22 May, 2020 06:59 PM

What's a national commission?

[deleted] • 1 point • 22 May, 2020 07:18 PM

spitfitt • 1 point • 23 May, 2020 12:03 AM

ainulhaq1 • 1 point • 29 May, 2020 09:56 AM

GOOGLE seems to be going crazy in this COVID-19 pandemic :D
