Is stealing blankets, cold feet and getting pushed out of bed a Mens rights issue?

Are men being bed raped in long-term heterosexual bed-sharing?

zeerust2000 • 59 points • 6 May, 2020 06:25 AM

"Hetero" bed sharing?

VestigialHead • 48 points • 6 May, 2020 06:26 AM

Do you own a hetero bed?

Much better than those homosexual beds that keep whispering in my ear and grabbing me on the bum.

dovakin123489 • 12 points • 6 May, 2020 01:56 PM

I like a nice slap on the ass when I go to bed from my bed. Makes me feel loved.

VestigialHead • 7 points • 6 May, 2020 02:10 PM

Just make sure your bed does not frame you for something kinky. Although I am down for when it springs sexy little surprises on me. Eider know what your bed is like - but mine sleeps around a lot. Bit of a drama queen as well.

dovakin123489 • 4 points • 6 May, 2020 02:11 PM

Wow. I applaud you sir. Truly, you are one of the greats of history.

VestigialHead • 3 points • 6 May, 2020 02:20 PM

Happy for the opportunity. Need to keep my pun game strong. In case they try to take me away haha.

FlamingTrollz • 3 points • 6 May, 2020 01:57 PM

You too?

FlamingTrollz • 6 points • 6 May, 2020 01:56 PM

Right?

Such weird dehumanizing verbiage.

BASSKORN • 50 points • 6 May, 2020 07:50 AM

Ok this is it

Bye Earth ☐☐

--Deleted101-- • 2 points • 11 May, 2020 06:25 AM

Dude it's been a while...you good?

AlarmGG • 48 points • 6 May, 2020 08:37 AM

Ok next time were going to talk abuot why *Living* is sexists my dear femminists

Broadside_Beers • 27 points • 6 May, 2020 10:08 AM

I mean, not a big stretch. Dying already is. "Men primary fatality in war, women most affected."

DevilComeKnockin • 11 points • 6 May, 2020 11:20 AM

It's been done already. Remember that recent article about "oppression breathing" due to Covid19?

FlamingTrollz • 4 points • 6 May, 2020 01:57 PM

Really? Ugh. What a world we live in these days such coddled whiny destructive individuals.

Just send them off to war, then they'll have something to really complain about.

[deleted] • 11 points • 6 May, 2020 11:04 AM

It has been done already. Enjoy the reading session.

Wsing1974 • 9 points • 6 May, 2020 12:31 PM

Yeah, that's not gonna work like she thinks it will.

Heavy-Atmosphere • 2 points • 7 May, 2020 08:30 AM

That's the scariest thing I've ever read. Some futuristic Hitler craze right there. Terrifying

iHaveAtinyWoody • 20 points • 6 May, 2020 08:51 AM

"Hetero bed sharing"

I cant...

hugox2 • 20 points • 6 May, 2020 09:28 AM

Are they searching for reason's they could blame on men? I mean... come on

FlamingTrollz • 9 points • 6 May, 2020 01:58 PM

It is insanity. Imagine having to have a conversation with someone like that, who writes this, and has that opinion. You would think that person is insane.

[deleted] • 15 points • 6 May, 2020 07:45 AM

Wtf

Setari • 14 points • 6 May, 2020 10:57 AM

Helllll no. Sleep > women

[deleted] • 13 points • 6 May, 2020 11:15 AM

This hateful....thing, for the lack of a better term, has made her entire career with inflammatory, misandrist statements. Quite a prominent feminist figure in the UK. A "star" even. Believe it or not, she got married a few years ago and shit on her husband ever since. Check out her "work", you'll have fun if able to take it with a grain of salt.

FlamingTrollz • 5 points • 6 May, 2020 01:59 PM

Agreed. One of my satellite offices for my business is in the UK, and over the years I've seen snippets of

her's here and there, and I am just aghast.

malemanjul1 • 12 points • 6 May, 2020 10:37 AM

toxic femininity doesnt exist, but toxic masculinity does...

Reebok300 • 10 points • 6 May, 2020 10:22 AM

Gettin real tired of this shit.

Freeze_Wolf • 2 points • 6 May, 2020 03:26 PM

One of the only times Reddit accepts emojis because of how ridiculous feminists are getting

Kelcan02 • 10 points • 6 May, 2020 11:20 AM

Now they are getting REALLY desperate.

FlamingTrollz • 4 points • 6 May, 2020 02:02 PM

After suffrage, and getting the vote what's left when you're a political movement, splitting hairs, and going for broke.

supermarioplush220 • 9 points • 6 May, 2020 11:38 AM

WTF IS WRONG WITH SOCIETY!?!?!?

FlamingTrollz • 7 points • 6 May, 2020 02:00 PM

Feminists. Man hating feminists. Political feminists. Feminists who are not humanists. Sociopaths, psychopaths, and malignant narcissists. The deranged. People that only identify with their gender, weaponized it, and hate the other equalized-gender.

Elliot385 • 8 points • 6 May, 2020 01:33 PM

Read the article, and this is the most STUPID FUCKING THING I HAVE EVER READ. Especially this part: “There is a sleep gap,” she explained. “Just like there’s a pay gap between men and women, there’s a sleep gap, and part of it is gendered – part of it is that women have certain roles. If I look at how much time my husband spends getting ready in the morning versus how much time I do – and I’m pretty minimal, I’ve got it down to about maximum 15 minutes, and that’s with drying my hair – but he spends a maximum of three minutes” Ah yes because you feel it’s important to look so pretty and can’t blame yourself for being slow blame men/sexism

Edit: they also talk about women on their period raising body temperature because of course that's feminism

FlamingTrollz • 4 points • 6 May, 2020 02:03 PM

Agreed, the writing is derangement, and insanity.

ivanoud • 7 points • 6 May, 2020 01:04 PM

Next: is breathing an issue?

Freeze_Wolf • 3 points • 6 May, 2020 03:27 PM

It actually is. Think of something and there is a “gender gap” for it. I’m pretty sure there is a penis gap too

JulietteDelarie • 6 points • 6 May, 2020 01:13 PM

I possibly talk for all the woman with brain

This is stupid

GerinX • 5 points • 6 May, 2020 01:41 PM

Lucy mangan needs a life and a hobby. And to be kicked off the internet.

casteliacitysax • 3 points • 6 May, 2020 01:10 PM

I saw this being covered by M101 and YellowFlash. Jesus, when will the stupidity end?

FlamingTrollz • 3 points • 6 May, 2020 01:56 PM

In partnership with M&S.

And...

That is one business I will no longer buy food or clothes from ever again.

Disgraceful.

KevinAndWinnie4Eva • 3 points • 6 May, 2020 02:34 PM

Long term hetero bed sharing? Lmfaoooo.

This can’t even be taken seriously.

RockmanXX • 3 points • 6 May, 2020 02:46 PM

Feminism = First World Problems.

Gordop • 1 point • 7 May, 2020 01:07 PM

I was the 420th upvote. Worship me now.

supermarioplush220 • 4 points • 6 May, 2020 12:20 PM

One time their was this girl that said something sexist about boys and everybody in the room except me and the few boys in the room agreed with her. And my grandma the other day was saying multiple sexist things about boys like girls mature much sooner (says the person who says sexual things allot and gets mad at her husband over little reasons.)

FlamingTrollz • 4 points • 6 May, 2020 02:01 PM

Exactly. Projection at its best worst.

beniesixx98 • 2 points • 6 May, 2020 03:40 PM

My god at some point they need to stop reaching. Like really , men need sleep to .Is this something I'm to bi to understand because I love personally love sleeping in bed with my fiance.

zaiguy • 2 points • 6 May, 2020 03:58 PM

“Is sleep an Aryan issue? This is how Jews steal our sleep.”

Basically what they’re saying.

nacho-chonky • 2 points • 6 May, 2020 04:24 PM

These kind of articles show how useless feminism is, instead on focusing on real issues they prefer to focus on non issues, feminism is just a way for privileged western white women to feel oppressed and play the victim even though they have never been a victim of anything real

jack93885 • 2 points • 6 May, 2020 04:34 PM

My experience has (broadly) been. Gf falls asleep, im up another hour or two. I go to lie down and she's at a 45° angle from her edge to 3/4 of the way over

tw1nm3t30r • 2 points • 7 May, 2020 01:12 AM

Says the entitled bitches who steal 90% of the bed, the covers and pillows. Even with all that they STILL blame us for shit.

Drayelya • 2 points • 7 May, 2020 03:37 AM
