They're so petty that they'll go through your post history just to find something to ban you for, even things as arbitrary as deducing that you're male. Feminists are the most bigoted, garbage humans. They're not worth it.

vasekgamescz[S] • 18 points • 23 March, 2020 11:48 PM

They are even more garbage than cardi b and tik tok combined

Freeze_Wolf • 13 points • 24 March, 2020 12:31 AM

Now that's a trashy combo, not trashy as r/feminism mods tho

charisma2006 • 6 points • 24 March, 2020 03:52 AM

The racism sub did this to me. Banned me for literally no reason. I asked a question to gain understanding. Boom, banned. When I asked why, they never answered.

SavvyVolley6 • 7 points • 24 March, 2020 03:57 AM

Yeah all the activist subs have the WORST mods.

charisma2006 • 2 points • 24 March, 2020 07:17 AM

Seems that way. For people who, on the surface, seem to be pushing tolerance and acceptance, they are the *least* that way themselves.

Silencio00 • 8 points • 24 March, 2020 01:26 AM

Men are banned from feminism anyway, they just don't know until they say something feminist don't agree.

Roge2005 • 7 points • 24 March, 2020 12:42 AM

What did you comment?

vasekgamescz[S] • 11 points • 24 March, 2020 01:17 AM

Something about menstrual blood is as ame as normal blood

earlofsandwich • 8 points • 24 March, 2020 02:36 AM

Racist

40moreyears • 7 points • 24 March, 2020 02:41 AM

Totally. How dare he discuss blood while being a part of the patriarchy...□

earlofsandwich • 3 points • 24 March, 2020 05:01 AM

The most egregious bit is where he moans about being banned and doesn't acknowledge how racist and oppressive he's being. Even if he's not white he sounds like it and so we should go after his immediate family and burn their houses down. We'd have to borrow the family brain cell to find out where he lives of course...

T0x1cL • 3 points • 24 March, 2020 05:00 AM

blood is blood

hawknose33 • 2 points • 24 March, 2020 04:02 AM

But it is though. It's not speical.

Deathbysugar2020 • 2 points • 24 March, 2020 06:20 AM

Well technically it's not the same. It has mucus and uterine lining in it.

vasekgamescz[S] • 2 points • 25 March, 2020 02:38 PM

Aha

liovantirealm7177 • 7 points • 24 March, 2020 01:10 AM

same, I even commented nicely, they probably banned me because my post history had 1 comment here

[deleted] • 7 points • 24 March, 2020 01:30 AM

I got banned for telling someone to enjoy what they enjoy.

zeerust2000 • 6 points • 24 March, 2020 02:24 AM

r/feminism is the mother (sorry...non gender specific carer) of all echochambers. The only way you **won't** be banned is if you agree with everything else on there. Actually, I find it very amusing to watch. I was banned for something very mild that I can't recall now. I think I asked a question that someone didn't like.

epicminecraftmemer • 3 points • 24 March, 2020 04:47 AM

I got banned a while ago for saying go back to the kitchen

chambertlo • 3 points • 24 March, 2020 07:28 AM

Feminists are so fucking fragile and weak. Lmao. It's kind of embarrassing.

vicsj • 1 point • 24 March, 2020 09:52 AM

As a gal it wouldn't make a difference to me whether I got banned, I've literally never even been on the feminism subreddit. I would cringe too hard, it's uncomfortable

dankest_taco • 1 point • 26 March, 2020 02:28 AM

(Y) *Same*

succ-me-thanos • 1 point • 9 April, 2020 01:56 AM

I said we are equal, I was permabanned

zeerust2000 • 1 point • 24 March, 2020 02:28 AM

I wonder what the demographic of r/feminism is? I'm guessing mostly quite young women, late teens to early twenties. Before they realise (if they ever do) that maybe, just maybe, they could be wrong about some things.

PaladinGamer563 • 0 points • 24 March, 2020 11:58 AM

After all, it's their subreddit, it ain't a public one. They technically have the right to override their rules and ban you for any reason they like.

qemist • -4 points • 24 March, 2020 01:17 AM

Let's ban this sort of post.
