Sport means all sports

whotf leap • 1 point • 24 January, 2020 12:56 PM

So every sport has a problem with the female body? Getting tired of all these "victims"

cowyeti • 1 point • 24 January, 2020 04:21 PM

It doesn't literally mean every sport (I don't think anyone's complaining about ping pong, but the institutions that make up what we think of as sports and athletics generally are more strict about what women can and can't wear than men.

Why are men not able to compete in professional synchronised swimming?

Gameperson700 • 8 points • 24 January, 2020 02:44 AM

Or why are they judged if they participate in figure skating? Oh and isn't there some rule that's says that men can't do the balance beam in gymnastics?

Just between us, I doubt many men would be complaining if female athletes (fit bodies) were competing completely nude in sports. It's women who have way more problems with female nudity (and nudity in general) than men.

Oh much farther back than that. The wage gap myth is coming on 50 years.

TheGhoulishSword • 2 points • 23 January, 2020 11:08 PM

What is this sentence structure?

NSFWjust-yet-boissss • 2 points • 23 January, 2020 11:08 PM

ulgulanoth • 2 points • 24 January, 2020 06:48 AM

I know right, we should make women compete in the same leagues as men and remove all women only sports. What you don't want that? Then maybe you shouldn't be making a stink online

The-Pokester • 2 points • 23 January, 2020 10:57 PM

Wtf if they have a problem why is she even allowed to wear that?
