I mean that seems pretty ban worthy. Why are you doing it?

snailarium • 5 points • 27 September, 2019 07:01 PM

Cause it's funny and correct

The manspreading thing is ridiculous. It's not that the little things don't matter, it's just that feminism should have bigger fish to fry. I will say though that some people are a bit ridiculous about spreading their legs and invade other people's space. But come on, is sex trafficking not important to them?
