And I am suddenly not in the dating market.

seahawkguy • 10 points • 29 August, 2019 02:47 PM

That's online dating in real life. All the good ones are taken, this is all that's left

User-31f64a4e • 1 point • 2 September, 2019 04:14 AM

Because of an incident like this one?

StrawhatMucci • -12 points • 29 August, 2019 03:05 PM*

You sexist transphobic pig!

Edit: Its to make fun of feminists ☐

RainbowsOfNight • 8 points • 29 August, 2019 08:50 PM

StrawhatMucci • 1 point • 30 August, 2019 04:56 AM

ezeziel310398 • 32 points • 29 August, 2019 11:44 AM

Cos a blue wig and a 1920s flapper dress is all it takes to be a woman

User-31f64a4e • 3 points • 2 September, 2019 04:12 AM

That, and being insane ...

Magnar96 • 30 points • 29 August, 2019 11:48 AM

You just have to laugh at people expecting society to change to suit their wants.

It'd be like me suddenly claiming I'm rich then expecting everyone to give me money.

TheGhoulisSword • 16 points • 29 August, 2019 12:29 PM

"It is MA'AM!"

afilag • 7 points • 29 August, 2019 03:50 PM

No, it is MAN!

Rendar1 • 4 points • 29 August, 2019 11:05 PM

afilag • 3 points • 30 August, 2019 08:38 AM

Dogedoomofinternet • 7 points • 29 August, 2019 12:18 PM

Bishopwallace • 7 points • 29 August, 2019 12:43 PM

Your beard stubble says otherwise sirma'am.

ZarathustraX13 • 3 points • 29 August, 2019 03:45 PM

Look at that feminine chin.

seatbelt-malfunction • 5 points • 29 August, 2019 01:12 PM

And we need to put every man in jail for rape because they said so. #believewomen #shitpost

The_Invader_Kilz • 4 points • 29 August, 2019 05:22 PM

"I am a woman"

Said the man with XY chromosomes, and a penis.

gatonato • 2 points • 29 August, 2019 06:34 PM

Obvious satire

BupSpoi • 2 points • 29 August, 2019 07:51 PM

You're not even trying anymore...

MayorPufnstuf • 2 points • 30 August, 2019 04:25 AM

If changing your gender to whatever you want is now accepted, what's next? Changing your race to whatever you want?

User-31f64a4e • 2 points • 2 September, 2019 04:12 AM

He is NOT a woman.

He is mentally ill, though.

[deleted] • 2 points • 12 September, 2019 10:10 AM

That's a man bro

RXelaH1984 • 2 points • 19 September, 2019 11:56 PM

Alright, how about we just deny biology, and science, due to this individual wanting to act feminine because, he does not exercise and drinks soy milk.

KevinAndWinnie4Eva • 3 points • 29 August, 2019 01:03 PM

r/neovaginadisasters

[deleted] • 2 points • 29 August, 2019 04:33 PM

I'm 99.9% sure this is a guy.

MegaMindXx[S] • 3 points • 29 August, 2019 05:30 PM

You can be 110% sure because it definitely is. ☐

destination-venus • 3 points • 29 August, 2019 05:41 PM

Actually you don't need to explain anything. I need not to hear anything about your mental illness. Just stay away from me and my individual rights.

370HSSV • 2 points • 29 August, 2019 05:43 PM

I remember when i was young and i pretended to my dad that i was a super hero. This is the exact same thing, but instead of my dad he want's the entire civilization to play his game.

Diogenes-- • 2 points • 29 August, 2019 10:57 PM

"I am a woman!", zhe screamed in a deep baritone voice, zir penis dangling below zis skirt's hemline.

Growing up, I thought the future would be pretty amazing. And it is, but not in any of the ways I thought.

rustyblackhart • 3 points • 29 August, 2019 05:54 PM

I don't have a problem with this. If identifying as a woman makes her happy and healthy, then that's fine. She's not hurting me. It doesn't effect my life and well being to call her a woman at all. She doesn't need feminism for that though. They likely wouldn't help her.

MegaMindXx[S] • -2 points • 29 August, 2019 08:42 PM

It does hurt other people. This leads to men being able to shower in girls locker rooms. It leads to men being kept with women in a lot of situations and allowing them to win college scholarships over your daughters in sports. How does that not hurt anybody?

rustyblackhart • 1 point • 29 August, 2019 10:59 PM

I'm not talking about legalities or rules of sport. I'm talking about saying "her" is she asks you to. I don't know why you think trans people are all perts who are trying to creep in the restroom. They aren't who you have to worry about, it's the pedophiles who follow the 4 year old little girl into the bathroom and rape her (which happened about a month ago). If you want to try to regulate sports or something, then go ahead, but that's not for me to decide. The point is, a trans woman is a woman for all that it matters in day to day life and you can be a compassionate human being who is kind to other human beings and

doesn't dismiss their well being.

MegaMindXx[S] • -1 points • 29 August, 2019 11:15 PM

I don't think you understand. Once you open girls bathrooms and locker rooms to men that identify as women, you're going to get pervs and pedophiles that use that to enter girls bathrooms. It's not anything against somebody being trans. A person either has a penis or a vagina. If they have a penis they use the men's room. If they have a vagina they use the womens room. But this clown pretending he is a woman while he looks nothing like a woman and asking for feminism is a mental illness.

rustyblackhart • 2 points • 29 August, 2019 11:34 PM

Post-op and on hormone therapy. No penis.

Incelvester • -1 points • 29 August, 2019 11:40 PM

Look up jonathan yaniv

rustyblackhart • 2 points • 29 August, 2019 11:49 PM

An admitted troll.

Incelvester • -2 points • 29 August, 2019 11:50 PM

LMAO no true Scotsman

rustyblackhart • 2 points • 30 August, 2019 12:35 AM

It's not. This person is a fraud and doesn't represent actual trans people. Unless you're saying all trans people are frauds, which you're not qualified to determine.

Incelvester • -1 points • 30 August, 2019 12:35 AM

No true Scotsman

necfetra • -3 points • 29 August, 2019 11:14 PM

You're not being compassionate by feeding into their delusions. That's rule number one when dealing with the mentally ill.

rustyblackhart • 3 points • 29 August, 2019 11:46 PM

Don't talk about rules of mental health if you don't know what you're talking about. Being transgender is not a delusional pathology. Check out the DSM. Being trans isn't even in there. The only thing that is is gender dysphoria which addresses the distress experienced by not identifying with the gender you were born as. It's not a problem, it's not a delusion, it's not crazy, it's a natural thing that happens to some people, just like being gay. If you want to have adult conversations, stop talking out of your ass.

necfetra • -2 points • 30 August, 2019 12:51 AM

He said to a guy who actually knows what he's talking about it...

Quit living in fantasy land. Grow up. What you have between your legs at birth determines your gender. Get. Over. It. Biology trumps delusion.

rustyblackhart • 3 points • 30 August, 2019 12:58 AM

What do you know? Is your degree in psychology? Are you a licensed clinical

practitioner? Are you any kind of medical professional who treats mental health and regularly used the DSM?

necfetra • -1 points • 30 August, 2019 03:36 AM

I clearly know more than you.

rustyblackhart • 2 points • 30 August, 2019 04:27 AM

Oh, I forgot about the “I clearly know more than you Degree.” Silly me.

SirkovTheWanderer • 1 point • 30 August, 2019 01:40 AM

Trans Exclusionary Radical Feminist is all the response necessary for that shit.

IamAlah • 1 point • 30 August, 2019 04:32 AM
