Gettinig banned from there seems like the first step to become an adult.

IAmLittleBigRon[S] • 16 points • 26 August, 2019 01:18 PM

Indeed

IAmLittleBigRon[S] • 24 points • 26 August, 2019 01:25 PM

I said women, sorry "wopeople", fucking freaks, can wear hijabs if they choose to, and they said wearing them was anti-feminist and I'm a heteropatriarchal zealot for daring to say women can wear what they want to.

Rayzedark • 20 points • 26 August, 2019 01:27 PM

Why do they just always have to use big words when they talk? Did you guys realize feminists do that or is it just me?

IAmLittleBigRon[S] • 17 points • 26 August, 2019 01:30 PM

They think it makes them clever, when in fact they argue based upon feelings not fact. Which is the epitome of stupidity and weakness.

Redgoldfishy • 14 points • 26 August, 2019 02:39 PM

Join the club, I got banned for saying feminism should focus on the plight of women in the middle east instead of stuff like manspreading.

IAmLittleBigRon[S] • 8 points • 26 August, 2019 02:43 PM

Focus on the biggest problem not the trivial ones that are literally pointless.

Redgoldfishy • 8 points • 26 August, 2019 02:44 PM

Yep, getting banned there is just a right of passage.

IAmLittleBigRon[S] • 5 points • 26 August, 2019 02:51 PM

You must be an entitled, sexist bigot, whom hates all men for being men, hates all older, white politicians even though they voted them into power, just because they feel oppressed, and being completely ignorant of the situation in the middle east, to not get instantly banned from that subreddit.

Vadographer • 1 point • 28 August, 2019 02:10 AM

I literally don't understand the whole manspreading thing either. Seriously, I don't think these women understand what it's like to have man parts that get in the way when we sit down LOL.

IAmLittleBigRon[S] • 1 point • 28 August, 2019 10:16 AM

That's also just part of it, men have a different pelvic structure to women so we can't sit like that without conscious effort to. That coupled with men being taller, therefore the seats are lower down in comparison means it's natural to spread legs a bit wider. So not only do we have balls that we don't want to squeeze but also this. It's fucking ridiculous that women think

men doing this is us showing "dominance" in public areas.

Vadographer • 1 point • 28 August, 2019 09:33 PM

IKR, I sometimes stop and think about how feminists are always either single, divorced or lesbian, but I can't help wondering about those few feminists that have husbands... poor dudes.

Yo mate, did it, fuck that was easy. All I said was look at that ladybird porn, on an article on how porn is making men worse.

Super-Chick • 3 points • 26 August, 2019 06:05 PM

Oh my sister is in love with that sub since she's a TERF so go figure. I honestly don't know how I even live with her ☐

IAmLittleBigRon[S] • 4 points • 26 August, 2019 08:43 PM

That's the worst kind, how you gonna get her out of that? Can't be through logic and reason, so how?

Super-Chick • 2 points • 27 August, 2019 01:32 AM

I don't. I leave her to her own "beliefs" and let her be. Of course if she continues to annoy the crap out of me I may not be so tolerant.

Philletto • 3 points • 26 August, 2019 11:32 PM

That sub is a real eye opener. Just 1 minute in and I see "Men's discomfort with women's existence" and I realize that these feminists KNOW they are shitty people. They know only stupid men put up with their shit because wamyn wouldn't tolerate it themselves.

ReaperManX15 • 9 points • 26 August, 2019 01:51 PM

I was kicked out for the egregious crime of reversing the pronouns in the post.

daniel13324 • 4 points • 27 August, 2019 02:08 AM

I got banned from that sub for saying that thanks to #metoo, men and women alike are scared shitless. Lmfao.

Procrafter5000 • 2 points • 28 August, 2019 09:52 AM

My ban for for the information sidebar apparently

IAmLittleBigRon[S] • 1 point • 28 August, 2019 10:18 AM

You can't give them information that would go against their ridiculous ideas.

Procrafter5000 • 1 point • 28 August, 2019 10:19 AM

I know
