The mods are toxic. If you say one negative thing about their point, poof.

Yeah that darn ban hammer. And the mods on here - or anywhere on any sub reddit thread - just couldn't be f'd in telling you why you are banned.

How dare you not follow the status quo. Sorry man, a lot of people don't want to be questioned over their mantras and inclinations.

Rayzedark[S] • 8 points • 18 August, 2019 08:57 AM

Its fine, plus its a sign that they know they have no reason to argue about and they know they are in the wrong if they just go for the ban

DerEwigeZionazi • 7 points • 18 August, 2019 09:30 AM

Could you please show us your comment which resulted in your ban?

Rayzedark[S] • 2 points • 18 August, 2019 09:33 AM

sure here you go

Why did you use MY screenshot and use it in your post, poorly cropped? I'm not mad. Also, scroll through my posts, it should be near the top for proof.

Someone destroyed ur argument tho...

Rayzedark[S] • 3 points • 18 August, 2019 12:42 PM

I had no argument, just a simple question

cathero4519 • -5 points • 18 August, 2019 12:47 PM

That's fair but u implied that there was equality someone explained how there isn't and now ur sad about it? I don't...?

vSkyy12 • 4 points • 18 August, 2019 07:01 PM

when did he ever let off that he was sad about it? You're just looking for an argument

Rayzedark[S] • 2 points • 18 August, 2019 12:49 PM

First of all im not sad about it, just frustrated that the mods banned me from that subreddit for asking that question.

Secondly, i wasnt trying to start an argument, i wanted an answer to a question ive hear many people ask before during a debate so i genuinely wanted to see what they were going to say.

cathero4519 • 0 points • 18 August, 2019 12:51 PM

Ok well I probs agree w u ngl it gives a bad name to feminism when they don't allow a healthy debate

Rayzedark[S] • 3 points • 18 August, 2019 12:52 PM

I agree dude, i myself dont hate feminists themselves but i hate their ideology.

cathero4519 • 1 point • 18 August, 2019 12:54 PM

Well I mean the ideology is equality of the sexes period. And there are extremists who can alienate people by spreading hate and hatred especially towards men. But that isn't the ideology- hate the extremists not the message.

Rayzedark[S] • 2 points • 18 August, 2019 12:57 PM

Exactly. I couldnt have said that better.

Yucrisp • 5 points • 18 August, 2019 05:18 PM

On my other acc i got banned for asking for non debunked female issues got called hitler abd got banned

marcus-bolt • 8 points • 18 August, 2019 11:38 AM

Free speech? On a feminist sub? Have you been living under a rock?

If it makes you feel better, go read some of the posts by some of those mods. You will notice these mods actually do this shit to their own as well. It's really not a consistent ideology. More a mental state of misery hysteric thinking they do. There is no sanity in all they do, so you just saved yourself from casting pearls before swine.

Rayzedark[S] • 3 points • 18 August, 2019 11:40 AM

If mods are gay than those mods are fucking pansexual

baronmad • 4 points • 18 August, 2019 08:10 PM

I got banned from there because i pointed out that men and women have a different biological setup.

Rayzedark[S] • 3 points • 19 August, 2019 01:43 AM

Hey guys just to let you all know i accidentally used u/wyattclawson6 's screenshot which i used to prove a point to a friend before i got banned, i later got banned for asking a question which was "what rights do men have that women dont". Honest mistake guys, im sorry.
