

This is hilariously misleading. Most men don't care about that

Women aren't allowed preferences, apparently

Projection

GooseMan126[S] • 10 points • 19 June, 2019 09:08 PM

That's par for the course in feminism

rhymalinda • 12 points • 20 June, 2019 12:01 AM

I know some men who actually like the rolls

GooseMan126[S] • 10 points • 20 June, 2019 12:09 AM

I know. It's not my thing and I think it's kinda gross, but it's fine. The other thing is that body shape is controlled by you. You can give yourself a bigger butt naturally, and if you want to get guys, you can get a boob job. There's really no option for short guys. Unless you're born tall, then you're kinda screwed

relationship_padawan • 4 points • 20 June, 2019 07:41 AM

The fat rolls are like extra pussies you can fuck /s

But agreed. I see fat people as just lazy/don't have self control. Given enough time and commitment, anyone can change the way they look. Except men's height. I can't grow any taller than short man I am. Some girls can't look past that. They're just missing out on some good dick. Their loss.

Preference vs requirement

brettleitermann • 5 points • 20 June, 2019 06:39 AM

That's not the only things women want wtf that's so retarded I seen women say they want a guy who's rich, has a H U G E dick, ripped, skinny, tall etc so yeah retardo

GooseMan126[S] • 2 points • 20 June, 2019 11:39 AM

Most guys just want someone with boobs that are sorta big, and a descent ass, and not being morbidly obese.

OnlyHanzo • 1 point • 20 June, 2019 04:35 PM

Thing is, thirst and diversity make 10 guys for *every* girl. I would imagine many a male enjoy small or flat boobs same way i do. Obesity is obviously a universal interest deterrent, but then again a huge community of guys are into that.

How many women would you say are interested in short guys?

GooseMan126[S] • 1 point • 20 June, 2019 04:42 PM

Few

AlicornGamer • 3 points • 20 June, 2019 08:05 AM

i mean, yes i get the attraction towards having a big ass and big breasts sure, but alot of women ive met may say 'i only want a tall man' really means theres alot of hidden needs (like a unlimated credic cart and so on)...

rhymalinda • 2 points • 20 June, 2019 12:16 AM

Oh I know my bf is short, not shorter than me but short and we are also in an open relationship and I just hate hearing whenever a woman gives him that famous line “I like tall guys” □ it’s like woman you’re 5’3 everyone is taller than you.

GooseMan126[S] • 5 points • 20 June, 2019 12:32 AM

I mean, it’s fine to have preferences, but if they’re genetic, like height, eye color, hair color, and race, just try to be nicer about it. Just don’t be a cunt

rhymalinda • 2 points • 20 June, 2019 12:33 AM

Right? Just be decent! Who stopped teaching women to just be decent?

GooseMan126[S] • 3 points • 20 June, 2019 12:39 AM

Feminists did. Because “killing the patriarchy” means being an unbearable bitch

rhymalinda • 1 point • 20 June, 2019 12:39 AM

That’s so bad □

GooseMan126[S] • 3 points • 20 June, 2019 12:45 AM

Alexa, play Despacito.

OnlyHanzo • 1 point • 20 June, 2019 04:32 PM

So insanely projecting its unbelievable. Manipulative propaganda is what this is.

Dontjuulpod • 1 point • 21 June, 2019 07:54 PM

This isn’t even about feminism it’s about preferences and it’s not true at all feminists think that every thing is about their own selfish problems
