Does anyone else think the 'Karen' slur is woman hating and based on class prejudice?

Yes - it's sexist, classist and ageist, in that order

The checkmark gives them away.

How is it "classist"? Karen can belong to any social class, race or nationality.

Code for racist since it's impossible to be racist against white people.

Sure Karens *can* belong to any social class, race, or nationality, but they don't.

Sure Karens can belong to any social class, race, or nationality, but they *generally* don't.

FTFY

What about the checkmark? I don't use Twitter so what does the checkmark mean about Karen? (the check is verified user, but what about Karen?)

The_Bug_Lord • 30 points • 6 April, 2020 02:27 PM

Karens get their accounts verified so their opinions can be more widely respected

Ahh. Ok thank you.

And that's bad?

thiccasabrice_ • 6 points • 6 April, 2020 07:57 PM

(In that order)

Maleoppressor • 7 points • 6 April, 2020 04:09 PM

When he said Karens in plural, I had to scroll back up. I thought the first one was a guy.

OnePix3lGuy • 3 points • 6 April, 2020 03:59 PM

It's based alright

TragicOptimistic • 3 points • 6 April, 2020 09:48 PM

The Karen's all want to speak to your manager

RyansPutter • 2 points • 7 April, 2020 01:07 AM

I'm surprised she didn't say racist, since most Karens are white.

Cualkiera67 • 2 points • 6 April, 2020 03:27 PM

The checkmarks mean that their real names are Hadley and Julie, not Karen. I'm assuming the bottom response is sarcastically mocking the one above.

Wooooosh
