Jesus Christ no Of you raise your child right they can be a reasonable feminist You can't teach someone to have less deadly cancer

You can teach your child the problems with feminism but once it dies, no cure for that.

Feminism is much worse than cancer today which is caused by women, and there is no cure at all since women are really too blame for this very horrible disease. And this is a very excellent reason why so many of us good single men can't meet a real decent Normal woman anymore these days.
