

Yep that is true, statistically the majority of child murders perpetrators are female. I just wanna say I'm not saying females are child murderers, that's just something to say bc feminists like to call us rapists

Exactly

Roge2005 • 19 points • 27 April, 2020 06:24 PM

if you show it to them they will say you are saying lies

Shuja1Ali[S] • 18 points • 27 April, 2020 06:53 PM

You saw what the feminists sub said abt the 70+% of homeless being male XD they said it was inaccurate and gave the most bs reason why

Shuja1Ali[S] • 18 points • 27 April, 2020 07:14 PM

They said the stat was skewed bc homeless women hide underground or seek temporary shelter, I just cracked up laughing BC of how bad that excuse was

Colombian-mra • 15 points • 27 April, 2020 07:41 PM

The irony is that is actually the opposite, the number of homeless women is exaggerated

laptopdragon • 6 points • 27 April, 2020 10:05 PM

last I checked a temporary shelter is 1000% better than homeless and under a bridge.

also, underground is considered with friends or other groups in a shelter. which is NOT homeless or on the street.

TroomersAreGroomers3 • 8 points • 28 April, 2020 12:48 AM

Yeah, it was "women live with other people and don't own or rent the home or apartment they live in, so that means they're homeless!" Meanwhile, men live in shelters with stinking hobo junkies or on the streets in the cold and weather. So obviously females have it worse.

RockmanXX • 11 points • 27 April, 2020 08:28 PM

They'll just blame this on systemic "Patriarchal Oppression".

Verbalicedtea • 1 point • 28 April, 2020 08:38 AM

Jesus it's like you can't convince them at all. Even when showing how clearly wrong they are, they end off with saying your sexist, that's the answer I get when they can't comeback at me with a good argument

laptopdragon • 5 points • 27 April, 2020 10:03 PM

also isn't there an extremely high percentage of medical malpractice (involving death) caused by female nurses/doctors?

From what I read, the stats are almost all women and it's just for deaths because there's an abundance of 'settled out of court' and also no stats where patients didn't die.

It's funny, they shriek about wanting equality.

Yet when I tell them that women need to rein in their child-abuse culture and that I hate women - positions **EQUAL** to how *they* feel about *men* - they get offended! Bizarre...

Alien_Refugee • 4 points • 27 April, 2020 10:13 PM

"Oh yeah, we just want equality"

"And also all men to die or become slaves"

"Oh, and for everyone to acknowledge that women are obviously fairer and better at everything, if they don't, they should die"

"But of course, that's still equality"

Verbalicedtea • 2 points • 28 April, 2020 08:38 AM

Equality is only nice when it suits them

beniesixx98 • 1 point • 2 May, 2020 08:44 AM

But they forgot what the movement was really about . And the goods ones that are left we try to make everything equal down to women having to sign up for the draft and spend the same amount of time in jail . Smh its a mess but if the good ones try to fix it maybe it will a better future for our kids.

Yeah statss are true:

https://www.reddit.com/r/MensRights/comments/g7leh5/reform_now/?utm_source=share&utm_medium=web2x

Also in teenage interpersonal violence girls are significantly more likely to be violent and boys are significant more likey to be victims. 26% more male victims

iHaveAtinyWoody • 3 points • 29 April, 2020 01:18 AM

"I may have killed my child, BUT HE WAS A MALE AND SYSTEMICALLY EVIL"

Some feminists logic

TroomersAreGroomers3 • 4 points • 27 April, 2020 10:34 PM

also abortion is murder

princesspuppy12 • 2 points • 28 April, 2020 12:00 AM

I mean, that is true tbh.

Verbalicedtea • 1 point • 28 April, 2020 08:34 AM

I get what you saying here dude. It's not right to bring up statistics and blame it on every man or woman. So like I don't blamed women for child murders they can't blame me for other men being rapists.

Shuja1Ali[S] • 1 point • 28 April, 2020 10:05 AM

Bro I did not say that, I'm saying that feminists blame all men for rape just bc it's predominantly done by men, so I'm just saying child murders are mainly done by women, so I'm just using that against them

Verbalicedtea • 1 point • 28 April, 2020 10:26 AM

Yeah i said that I don't blame women for child murders so they don't have the right to blame me for rapes caused by other men. What you're saying sounds similar to what I am saying.

Shuja1Ali[S] • 1 point • 28 April, 2020 10:27 AM

Oh right, misunderstood you bro!

Verbalicedtea • 1 point • 28 April, 2020 10:28 AM

No stress sheikh

PaladinGamer563 • 1 point • 29 April, 2020 11:56 AM

Just like how I like to tell them to join the military, even though I don't actually support that.

Shuja1Ali[S] • 1 point • 29 April, 2020 11:58 AM

If they want to be more respected in a society, then they have to do some honourable respectable things. I feel the military do more for women than feminists do for women

beniesixx98 • 1 point • 2 May, 2020 08:39 AM

But the toxic feminazis won't talk about women who rape men , children and other women .
