

**Catch-22: if she puts out quickly for you, she's not relationship material because it means she's easy and can't be trusted in an LTR. If she doesn't, it means she's done it with other guys but not for you and sees you as relationship and possibly even bb material. What do?**

This. Comprehensive!

mrpoopistan • 61 points • 11 July, 2020 10:19 PM

Simple solution: stop living your life according to shit you read on the internet.

The biggest thing you'll ever from take from TRP isn't a list of do and don't things. What you should gain is a confident belief in the necessity of your own decision-making, but with an understanding that it all occurs in context.

Relationships aren't algebra formulas to be solved.

And frankly, I'll disagree on the premise that putting out early is LTR death. people aren't that simple.

needless\_pickup\_line • 41 points • 11 July, 2020 09:15 PM

Time until sex is arbitrary. Logistics plays a big part and those are always variable. As long as you're not waiting for a month it doesn't matter.

If it's just a plate, who cares if she fucked Chad on the first date and you on the third. Get your dick wet and be on your way.

If it's a relationship, you should be focusing on the quality/enthusiasm of sex and how well she treats you overall.

amwfhunter • 13 points • 11 July, 2020 06:46 PM

Wtf. If u get laid it is a win. You are analyzing too much than getting your dick wet.

Autreals • 62 points • 11 July, 2020 07:34 PM

The girl I'm plating Rn made her ex boyfriend wear a condom, wouldn't give him head, and didn't let him anywhere near her ass. I get whatever I want, including anal whenever I want it. Alpha fucks beta bucks. If she sees you as high enough value, a girl will break any rules for you. If she makes you wait, the genuine desire isn't there. No genuine desire= a fucking terrible LTR. Next those girls.

holyshocker • 51 points • 11 July, 2020 09:10 PM

Lmao about you and knowing her sex history in such detail. Don't waste your time comparing yourself to other guys.

kelanton80 • 33 points • 11 July, 2020 11:17 PM

And thinking the got a special deal because they are "Alpha"

Autreals • 5 points • 12 July, 2020 03:44 AM\*

I normally wouldn't care, but considering I worked with the dude and he constantly complained about it, it seemed relevant. It did stroke my ego dick having her beg me to take the rubber off. I didn't until I had

a clean STD test, but it's hard not to compare when you had to listen to groaning for months, and then it was so easy.

thesoloronin • 3 points • 12 July, 2020 04:38 AM

You mean *your* STD test or *her* STD test?

dummmmy760 • 1 point • 12 July, 2020 01:16 PM

nice dude... enjoy..

MerryVegetableGarden[S] • 13 points • 11 July, 2020 08:45 PM

Are you going in wrapperless?

opper-hombre1 • 24 points • 11 July, 2020 10:41 PM

This is the first time I've heard the term "wrapper less" and I think it's hilarious lmao

ProFriendZoner • 2 points • 12 July, 2020 01:38 AM

If you're going to attack her, wrap your whacker!

Autreals • 4 points • 12 July, 2020 03:47 AM

It's a personal preference. I know she takes birth control, and she's clean. Could she potentially scam me, and ruin my life, yeah. It's a risk I take. You don't have to.

beginner\_ • -2 points • 12 July, 2020 04:24 AM

It's like covid19. Taking the risk sounds like a reasonable position until you actually get it and realize the gravity of your mistake. You don't know yet just how fucked you will be if she gets pregnant.

dr\_warlock • 3 points • 12 July, 2020 08:36 AM\*

She was fucking some other guy while with her ex just like she is with you. You ain't special

EnhancedNatural • 5 points • 12 July, 2020 03:03 AM

of course you are, snowflake.

MisterRoid • -1 points • 11 July, 2020 08:44 PM

I don't get guys who agree to wear condoms in relationships. Really pathetic. No point to be in a relationship then. Might as well jack off to porn then since that feels better than shitty condom sex anyways.

pussykiller009 • -1 points • 12 July, 2020 04:54 AM

Lol you're stupid

MisterRoid • 2 points • 12 July, 2020 06:12 AM

If having good sex makes me stupid so be it. The risk of getting a serious STD is extremely low anyways.

[deleted] 11 July, 2020 09:46 PM\*

[deleted]

Chadster113 • 13 points • 11 July, 2020 06:37 PM

The relationship isn't the point.

[deleted] • 16 points • 11 July, 2020 07:21 PM

Girls who make you wait are NOT worth your time. Read The Rational Male.

ProFriendZoner • 20 points • 12 July, 2020 01:42 AM

EXACTLY!!!!

Steve Harvey tells women to wait 90 days before having sex with a guy.

Ain't no fuckin' way.

She'll be lucky I wait 90 minutes.

I can picture some poor simp patiently waiting, wining, dining her, thinking he's in.

Then they go to a party and some hot looking guy lays some top notch game on her saying all the right things. Next thing you know he's fucking her in the bathroom while our simp is knocking on the door with one hand, holding his dick in the other asking "Is this his 90th day?"

Dianded1 • 2 points • 12 July, 2020 06:19 PM

Lmao that made me laugh

[deleted] • 1 point • 12 July, 2020 03:02 AM

Lmao couldn't have said it better myself

holyshocker • 8 points • 11 July, 2020 09:23 PM

What do?

Women will cheat if you let yourself go after being shredded for 20 years. Doesn't matter how good you were or what you've done for her. How many dicks she's had or how long she waited to suck and fuck each dick she ever had.

All comes down to you. And if you always do your best and it's not good enough then move the fuck on. Don't like the game? Then go fuck yourself.

TheGirlGetter9000 • 6 points • 11 July, 2020 09:12 PM

You don't HAVE to think exactly this way. Realize there's nuance.

My LTR banged me our first hangout. She had one ONS in the past too and 3 total partners. Idrc. I got the best she gave to anyone, and it's been a good relationship.

Honestly, barring a virgin, I'd take a girl who put out for me quickly any day of the week, long as it's not a habit for her. Pretty much every non-virgin has had or will have a ONS, so if it wasn't you, it was someone else. Rather it was me, and as few "someone elses" as possible.

IXseed • 8 points • 11 July, 2020 07:53 PM

All that matters is that she's doing what you wanna do. That "if she gives it up fast, she can't be a gf" shit is what HS kids say that don't know any better.

Grave\_Heresy • 5 points • 11 July, 2020 10:52 PM

From what I am reading it looks like you are in the market for an LTR.

<https://m.youtube.com/watch?v=3IW6kxEGOqo>

<https://m.youtube.com/watch?v=dqnPm6sFRgM>

<https://m.youtube.com/watch?v=5aTKb9OKerI>

The point that you are missing is that LTR don't work. Maybe 70 years ago before social media and sex positive feminists were a thing LTR would have been a good deal. But now, you should only be looking for short-term. I'm talking 90 days, then dump.

Unless she is a verified virgin (Which really isn't possible) then you are probably getting the football team's leftovers. The farther from 18 that you go, the higher her number. By 30 most females have a body count in the 100s thanks to Tinder and Bumble.

The distinction that you have to see is that women are going after two types of guys. The Alpha who they will readily do anything for in bed and the beta who they will only give missionary too....Occasionally.

The Alpha gets it for free because he is who she really wants. But because he has so many options he ain't going to settle.

The beta has to pay for it because she isn't attracted to him. She needs him to pay her bills and give her the social standing that comes with being a wife. Because the beta is committed to her, she doesn't have to impress him in bed so she doesn't. The truth is she could care less about the beta.

Understand that 98% of Western women have been demolished by Alphas and are unable to form lasting relationships with average men because the bar has been raised to ridiculous levels for them. If you are an average dude (5'10, 22% bodyfat, 5 inch d\* ck) you are not going to be able to do an LTR with a female. Hell even top shelf guys don't bother.

MerryVegetableGarden[S] • -1 points • 11 July, 2020 11:11 PM

But we're genetic dead ends then, bro. Each generation will be lower-T beta-ier because those are the only guys willing to get married. Mankind will be completely pussified in a few short generations. We'll be steamrolled by high-T Islamic rapists.

Grave\_Heresy • 2 points • 11 July, 2020 11:49 PM

Are you serious right now? They will have kids by Chad and Tyrone. Even if you marry them they will have kids by Alpha males lol.

Also, this makes no sense. You don't owe western society anything. Not sure if you are being prejudiced by the Islamic rapist comment but don't hate on them because their religion lets them have more women than you. The majority of them are good people. Better than some of the White Knights I've met in the US.

EDIT: I have high T (1000s) it doesn't do much any way except make you horny and hairy. You also go bald pretty early. Been using shit ton of rogain lol

MerryVegetableGarden[S] • 1 point • 12 July, 2020 12:06 AM

They may be good people but they retard entire civilizations. They only teach the Koran at madrassas, bro, not science and mathematics. The Saudis need expats to design all their cool shit because their school curriculum's trash. The Islamics are technologically regressive.

dummmmy760 • 3 points • 12 July, 2020 01:14 PM

im from saudia arabia and we do teach math and science here... the exact same topics and levels in the us...

Grave\_Heresy • 5 points • 12 July, 2020 04:14 AM

Bruh you kidding me right now? Did you not stay awake in history class? Almost everything that we know about technology wouldn't have been possible without the cumulative advancement of mathematical thought that came from math and science of Muslims. You crazy lol

SmurfSC2TW2 • 2 points • 12 July, 2020 09:55 AM

i think he has brain damage, or is raised by drop out chritian single mother.

SmurfSC2TW2 • 1 point • 12 July, 2020 09:53 AM

rather than lower-t i d rather worry about our iq regression, seeing that you are the perfect walking piece of evidence.

MerryVegetableGarden[S] • 0 points • 12 July, 2020 11:47 AM

I suppose high-IQ individuals like yourself will have to average 2.1+ children.

Tambamwham • 3 points • 11 July, 2020 11:47 PM

Putting out quickly has no bearing on her being relationship material or not. It's actually the opposite. Girls that make you wait aren't relationship material

MerryVegetableGarden[S] • 2 points • 12 July, 2020 12:07 AM

Easy girls cheat, bro.

Tambamwham • 9 points • 12 July, 2020 01:59 AM\*

Nope. The likelihood of cheating is the same for all women because they cheat for the same reasons. Infidelity has nothing to do with morals. For every guy crying about his dumb choice to try to turn a hoe into a housewife, there's a guy crying about how he thought he had a "good girl."

anicebigrodforyou • 1 point • 13 July, 2020 03:06 PM

They all cheat

catz123456 • 3 points • 12 July, 2020 01:45 AM

When you're high smv, they all put out quickly. They knew if they don't give it up, you'll just find another.

vicious\_armbar • 3 points • 12 July, 2020 09:53 AM

Late to the party but there are four possibilities.

### **She puts out quickly:**

- A.) She's a slut who likes dick
- B.) She **isn't** a slut but you happened to rev her engine

### **She doesn't put out quickly:**

- C.) She's a prude
- D.) She isn't into you

Possibilities A & B are obviously way better than C or D. With option B obviously being the best.

Pretty-Slice • 1 point • 12 July, 2020 10:11 PM

Or maybe e) she's a virgin

Musicgoon • 7 points • 11 July, 2020 08:19 PM

Without sex, there is no relationship. Don't waste your time looking for your special snowflake.

MerryVegetableGarden[S] • 3 points • 11 July, 2020 08:50 PM

Yo, but I don't want to date a slut.

Musicgoon • 7 points • 11 July, 2020 10:55 PM

Well then you aren't going to date. She's not yours, it's just your turn.

Fulp\_Piction • 2 points • 11 July, 2020 11:12 PM

The madonna whore complex.

As much as we men like to think we're pillars of rationality and logic we aren't without our weird wiring.

If you're getting your needs met then who cares? If you want an LTR you're gonna have to deal the fact that the way women live their lives is outside the sphere of your control, so fuck it. Play the hand you're dealt in whatever way makes you happy.

If you blame women for their nature you'll never be happy. The real issue is that the idea of women we were fed being is so hilariously wrong that it's embarrassing to think we ever believed it.

jackandjill22 • 2 points • 12 July, 2020 03:07 AM

Not really. It's not as zero-sum as you put it.

jon\_ster • 2 points • 12 July, 2020 03:24 AM

Over thinking. Follow you're reasoned choice. Be safe out there.

askmrcia • 2 points • 12 July, 2020 06:22 PM

One thing you and everyone else on this thread is missing is how hard did you work for it to get a girl to put out easy on the first or second date.

Like if a girl let's you fuck on the first date and you barely had to do anything such as game and pass shit tests then that girl ain't worth it.

She has to be somewhat of a challenge.

Now if you bang a girl on first or second date and you actually had to work for it such as taking her on a real date, have good conversations, use game, pass shit tests and past LMR, then yes she may not be a whore who let's any guy fuck.

Now if a girl makes you wait then they are never worth it unless they are a virgin. Period.

So in conclusion you'll know if a girl is not sleeping around depending on how much of a challenge she actually is.

Whether she fucks you on the first or second date doesn't matter.

My last three LTRs all put out on the second date. All three had little experience because the sex was iffy at first. Things got better the more time we went at it.

BluzzKill • 2 points • 11 July, 2020 07:09 PM

Yeah. Funny how that works. There is a small sliver in between that is the target.

Bungeeeee • 1 point • 11 July, 2020 11:25 PM

Do the first and ignore if she doesn't put out fast and just approach and text more girls until you get better at creating attraction/being desirable. Don't even consider LTR until you are banging several plates and have an all green flag/zero red flag girl bring immense additional non-sexual value to your life and you find it a smart move in general to go to ltr. But you are not ready to think about it yet. Hint: when you are banging several plates, you won't care that much if you fuck a girl right away because scarcity won't fuck with your ego.

stanleyplmt • 1 point • 12 July, 2020 03:16 AM

TravisScottNL • 2 points • 12 July, 2020 08:26 AM

stanleyplmt • 1 point • 12 July, 2020 08:34 AM

acoltismypassport • 1 point • 12 July, 2020 01:43 PM

It's a good general rule, but not an absolute. In theory, you could be the guy who ticks ALL the boxes in her 'ultimate man' criteria list; and so she'll submit to you in a way that she didn't to others. Statistically, this must be the case for a certain portion of women. Just like there are some guys who wouldn't fuck chicks who smoke cigarettes, or have tattoos. But let's say your personal 9/10, who either smoked, had tattoos (or both) gave you an in one night at the bar? Could very well be a game changer.

These things are nuanced, and you'd do well to learn how to distinguish the details from the generalities.

DTron2332 • 2 points • 11 July, 2020 09:33 PM

Fucked my current LTR during the first 20 minutes of meeting her, we kept in contact about a month before that on Snapchat. 3rd day seeing her she made me dinner at her college, and I stuck my cock in her raw in her dorm room with 3-4 of her friends inside, which she desperately wanted. She wasn't on the pill either.

Her previous bf and all the guys she's been with before me absolutely sucked at sex, and had small or below average cocks. They were afraid to touch her. I enjoy smacking her and spitting in her mouth. She does anything I tell her to, including anal and has told me she would do a threesome with another girl only. If they view you as higher value, they will do just about anything for you, since you're their "other half" and you just feel "right."

MerryVegetableGarden[S] • 13 points • 11 July, 2020 11:15 PM

A girl like that isn't high value or ltr material tho.

DTron2332 • 2 points • 11 July, 2020 11:35 PM\*

If she wasn't, why would I be with her in the first place? I've been with her for a year and 2 months, and

I vetted her for 3. She does everything I ask of her, lives to please me, cooks for me, and gives me the best sex out of any women I've ever fucked. Doesn't bug me, isn't needy, doesn't have a lot of friends, and was raised in a good family.

Sure when I met her she was a bit of a mess, but she was 18. Most women are messes when they don't have guidance. Have you ever heard of training a women? It's very possible and easy to do, especially when they're younger. I don't want a "high value girl" infact I prefer them 2-3 points below me. A girl that will do anything for me, including wiping my ass if I told her too, is LTR material. A women with an alpha will change her entire mindset and reality just to please you and keep you happy

CasaDeFranco • 7 points • 12 July, 2020 04:51 AM

Yeah, but you still LTR'd a whore bro.

DTron2332 • 0 points • 12 July, 2020 05:00 AM

Yeah you're exactly right man.. she loves being my whore ;)

amwfhunter • 3 points • 12 July, 2020 02:40 PM

Until she breaks up with you. Then she will tell the next one about how small your dick is etc. Ive been with girls like this who would tell me I'm the best blah blah blah, I just leave them after I'm done. Any chick who compares and complains to you about their exes will do the same about you when you leave her.

DTron2332 • 1 point • 12 July, 2020 03:05 PM

All women are like that, I've been with more than enough to figure this out. But one thing I do know, is I'm the best she's ever had, so if we do break up and wants to lie about me? So be it. Doesn't bother me. You guys are so negative on here, thinking you will find the perfect girl with no imperfections who has no red flags. Some of you need a real wake up call, if a women adds more value to your life, make it easier, I consider that a win in my book. You fucks takes things so seriously, it's almost autistic.

amwfhunter • 2 points • 12 July, 2020 03:15 PM

Lol, I wasn't sure where you stood the way it seemed like either you're low key bragging or putting her on a pedestal. I'm guessing and prefer the former. There is no perfect girl with no imperfections, never have I mentioned there was or finding one etc... stop putting your words in my mouth and making an assumption about me and grouping me with many folks here.

DTron2332 • 1 point • 12 July, 2020 03:40 PM

Well you sound that way, complaining about bullshit. I don't give a fuck, I've studied and lived my life enough with a red pill lens to get the just of things, compared to most on here which are amateurs.

Talking positively about my LTR is not putting her on a pedestal, have you ever actually dated a girl before? You want to date one that makes you pretty happy, and will do anything for you. Of course I'm going to brag about that, I have more than what most men wish they can have. Let me tell you it feels amazing, she's going to be licking my balls tonight.

amwfhunter • 3 points • 12 July, 2020 03:45 PM

The most positive LTR experience that I discuss about on here was how influential my ex wife was in expediting my life to becoming a self made millionaire. I wasn't complaining more questioning for clarity. You sounded like an amateur not saying you are so dont get triggered like a feminist. Hence, you do realize on asktrp sometimes folks may be challenged or questioned when you post certain things to which you did clarify. I am not the only one either so obviously the way you wrote was perceived differently than your intention. A lot of men have what you have. It is cool to feel good. I even acknowledged that I hope you were bragging more than putting a chick on a pedestal. I think perhaps you need to not underestimate people, we're not all dumb here.
