

# Thoughts on Charisma on Command? Do you think he is/was red-pilled?

I did a google search on "Charisma on Command reddit" and it mostly just showed triggered far-left progressives, because he showed Peterson and Shapiro in a remotely positive light.

However, I did stumble upon one comment in a thread that caught my eye:

The guy is a genius, he took information that was only available on youtube through cringy pick up channels and made it palatable to mainstream audiences by rebranding it. It's all the same advice but it's geared towards being applicable for business and friendships.

What do you guys think? Do you think he was previously red-pilled? Do you feel his advice has more of a blue or red pill tint? Is his advice even practical or good at the population level?

I think he's been exposed to it, but I don't think it's formed the foundation of his beliefs or anything.  
It seems like he's got many different influences.

HoopersHoop • 7 points • 19 July, 2020 06:17 PM

He seems blue pulled af to me

That's what it seems on the surface, but I feel he has to package and present himself as such to reach the largest audience possible. Some of his advice is something you would only find in PUA circles though, so it's interesting to see it reach a more mainstream audience.

goatismycopilot • 4 points • 19 July, 2020 06:28 PM

Who is that?

alphadawg26 • 11 points • 19 July, 2020 05:52 PM

Who?

banned\_by\_cucks[S] • 2 points • 19 July, 2020 05:57 PM

Well, he's far more popular than pretty much all of the RP PUA/Manosphere types combined, so I'm sure it wouldn't be too hard to research yourself.

alphadawg26 • 7 points • 19 July, 2020 06:01 PM

Then why did my question "who" get more upvotes than your OP?

Guess he isnt that popular

banned\_by\_cucks[S] • 1 point • 19 July, 2020 06:03 PM

Because your original comment was just some rhetorical, unsophisticated cliché remark that tends to be popular in Reddit threads?

alphadawg26 • 4 points • 19 July, 2020 06:05 PM

or maybe no one knows who the fuck that is and dont give a shit?

Bapubaa8129 • 5 points • 20 July, 2020 02:28 AM

Hurr durr alphadawg26 ur so alpha.

HoopersHoop • 4 points • 19 July, 2020 06:17 PM

Dude there's millions of people who watch him. Take it easy

SPSTIHTFHSWAS • 1 point • 20 July, 2020 02:53 PM

He got 8.3M last month views on YT last month. He's pretty influential.

Based Zeus put out a video the other week about how by watching these types of videos (he acknowledged his own channel does the same thing) is pretty much nothing more than procrastinating unless you actually take action. You might as well be masturbating instead.

Unless you apply what you learn from these videos into real life then you're wasting your time. I guess they're interesting to watch from time to time but the lessons to be learned from them are minuscule. Even then to answer your question, his advice isn't going to help a majority of people. If you're looking up "how to be more charismatic/interesting", you should probably switch off the PC and go outside and get some hobbies.

[deleted] • 1 point • 30 July, 2020 01:00 AM

Thing is if you watch a lot, you can't realistically take action on it all.

Take a process like pace and lead. Sure a 10 - 15 minute video will explain it. But you then need a week or 2 just practicing it IRL.

Some people just watch watch watch.

You don;t even really need to know it all. Just one or two little new habits is normally enough.

Ecocavalry • 2 points • 19 July, 2020 06:25 PM

He is one of those video essayists like Nerdwriter who can go on and on. It's that the advice is not good, but it's mixed in with a lot of waste.

psypD • 2 points • 19 July, 2020 06:49 PM

I don't really know, I think his mass appeal is his inherent innocuous looks. I mean have you seen a more inoffensive "adorable" dude. Anything that he will do that appear to be even slightly aggressive will appear wildly inconsistent and trigger many people. I don't think Peterson and Shapiro are RP at all ,far from it .

banned\_by\_cucks[S] • 1 point • 19 July, 2020 06:56 PM

I don't think they're RP either.

Idonnawho • 2 points • 19 July, 2020 11:30 PM

He has some good content and it's well produced but I don't think he's red pillled at all

I'm betting that he's a stealth pickup artist.

I don't know if his videos on Trump are still up, but Charlie definitely leans Amoral/Intellectual Red Pill, rather than the fire-breathing, all women are evil but is this girl a unicorn type.

The OG Red Pill was to agree with whatever the crowd was saying, but make your own moves in private. Now every RP guy is "out and proud". \*pause\*

Lacuna-Foil • 1 point • 19 July, 2020 07:44 PM

Red piller? No. I think he's just fairly conservative, and there's a decent amount of overlap between general conservatism and red pill ideology.

Kyogan • 1 point • 19 July, 2020 11:32 PM

He is red pill but sells blue pill bullshit because it sells more. His channel can easily end up stumbling with red pill content, he probably saw at this point.

Red Pill is seen as hate speech even tho it can be easily proven.

The red pill is only bashed because people love to protect women.

Grave\_Heresy • 1 point • 20 July, 2020 01:40 AM

He's definitely red piller.

SherbertBacon • 1 point • 20 July, 2020 02:32 AM

I honestly never thought for even one second about his political leanings or world view—he just makes quality content.

What do you guys think?

The person who wrote that is an idiot. Advice on how to be more charming or charismatic has been around longer than PUA forums. Who knows where CoC got his info? Personally I learned how to be more charismatic through reading and practicing self-help books on the subject. Only someone with a very myopic perspective on this stuff would think it's reasonable to assume CoC necessarily took this content from the pill-o-sphere or PUAs.

Do you feel his advice has more of a blue or red piller tint?

Neither. It's got nothing to do with pills.

Is his advice even practical or good at the population level?

Yes he makes great content with excellent examples.

banned\_by\_cucks[S] • 1 point • 22 July, 2020 02:13 AM

Why are you getting so defensive? Lmao.

SherbertBacon • 1 point • 22 July, 2020 03:57 AM

defensive?

Are you sure you know what that word means?

Sepean • 1 point • 20 July, 2020 08:39 PM

No, not at all. It's good stuff in general, but it lacks the oomph of red pill game. So if you're looking for dating or relationship advice, you won't find much value.

banned\_by\_cucks[S] • 1 point • 20 July, 2020 10:00 PM

Random question, does your wife know you are RP/browse MRP?

Sepean • 1 point • 20 July, 2020 10:13 PM

She knows and used to read MRP (or at least what I wrote), but she hasn't mentioned anything about it in say 2 years so I think she stopped.
