

I am losing faith in this society. I can't believe we are in 2020 and people still think like this.

this judge seems to be a misogynist rapist himself, he has been in problems before with saying misogynist things towards women and seems to have a disgusting view. He should have been disbarred a long time ago and never be able to work in any position of power. Psychopaths often chose those positions where they can abuse this power. Police force, judges, doctors etc.

Noogenesis21 • 78 points • 15 December, 2020 12:52 AM

Exactly right re: psychopaths, narcissists, etc. Steer clear of, or vet EXTRA long and hard cops (especially!!), judges, doctors, lawyers, high level execs, very wealthy, etc...any position that has any kind of real power and potential destruction over people.

yolosunshine • 47 points • 15 December, 2020 01:12 AM

I judge actions on a sliding scale of wealth and status.

If it costs the person literally nothing in their world to not be an asshole, yet they are an asshole...

Asshole detected.

SpringJonesOcean • 27 points • 15 December, 2020 06:20 AM

Extreme wealth is a possible sign of a sociopath. You'll never convince me otherwise.

midwesternwinds • 5 points • 15 December, 2020 06:33 PM

I heard on a podcast that apparently many psychopaths go on to become CEOs (or maybe it was that many CEOs are psychopaths). Either way, a judge or cop isn't so far off. They want positions of power.

I hope he gets fired or his status taken away from him. This is a shame.

oofaboofta3 • 86 points • 15 December, 2020 02:49 AM

Man I once knew someone (male ofc) who tried to play "devils advocate" saying that the girls involved in the Jeffery Epstein sex ring were at least partially at fault because they shouldve "known what they were doing" as if they werent literal children!

We're "underage women" when they want to shift blame onto literal children, just like we're "little girls" when it's not convenient for them for our voices to be heard and they want to dismiss/minimize us.

SpaceC4se • 3 points • 15 December, 2020 01:23 PM

Wow that's so true Queen

oofaboofta3 • 16 points • 15 December, 2020 06:05 AM

Girls are underage women from 12 and up didnt you know? Oh an why do any of them want to vote? Women are like LITERALLY children :)))

SpaceC4se • 4 points • 15 December, 2020 01:24 PM

if we were LiTeRaLIY children wouldn't protecting us be a bigger priority for them? Something just don't add up here

jenneschguet • 23 points • 15 December, 2020 03:55 AM

Any info on the Judge? There's a website we list these people to...

Sea_Soil • 18 points • 15 December, 2020 03:59 AM

Yes I commented his name on one of the comments below. It says his name in the articles.

edit: Jean-Paul Braun of Quebec.

Yet another reason victims won't report. They'll be worried they will get told they are too fat to get raped. That poor girl

Imagine thinking that the biggest compliment you could give a child is that they're sexually desirable. He has paedophile written all over him.

...lmaoo... should of told me this a year ago.

I'm from bc and met my qc ex on tinder. He mentally, physically and verbally abused me for a year and traumatized me. As far as I know his only sentence is going to rehab even though he was sober when he hurt me (time I called the cops) lmao they're also horrifically bad at communicating anything to me .. they send everything in French when I dont speak French and they know it

Disgusting. That judge needs to go. That is NOT an unbiased comment. Wow ☐

Descendant_of_Innana • 31 points • 15 December, 2020 01:54 AM

We need female vigilantes who will make things right again.

shipinthesky • 15 points • 15 December, 2020 07:09 AM

Novemberinthechair • 4 points • 15 December, 2020 01:56 PM

Got that right.

ferociouslycurious • 28 points • 15 December, 2020 02:23 AM

I wonder how many women that judge has assaulted outside of his courtroom over the years. I consider this sexual assault in the courtroom.

thatoneladythere • 25 points • 15 December, 2020 03:00 AM

There are so many fat women who think the only way they can earn a man's love is with their body, because of assholes like this. This poor girl.

Blackrose_ • 29 points • 15 December, 2020 03:45 AM

So a bit of background -

<https://www.cbc.ca/news/canada/montreal/quebec-judge-remarks-crown-weighs-in-1.4410520>

and

<https://www.cbc.ca/news/canada/montreal/quebec-judge-remarks-crown-weighs-in-1.4375246>

That judge has been kicked off the case, the comment was in French, which I don't know if it made it worse, and better news there is a new judge that has been appointed to make a sentencing hearing against the rapist. After international condemnation of that rubbish the initial judge is looking at losing his job.

Good work in highlighting horrible legal decisions that need to be called out.

denverkris • 16 points • 15 December, 2020 04:52 AM

That's because 99% of men have no idea the kind of shit women have to put up with, and that INCLUDES the men who are dishing the shit out. Cause when THEY do it, THEY don't realize that THEY *are* the assholes that their female friends and relatives are talking about.

Reporter_Complex • 12 points • 15 December, 2020 02:22 AM

Jfc... please tell me this is fake...

No_Energy7768 • 7 points • 15 December, 2020 02:24 AM

I actually wished it was

SpaceC4se • 6 points • 15 December, 2020 04:49 AM

Jinkies... As do I! No amount of wishing could make me unlearn this. Now that I've learned of this level of evil, I've lost my faith in humanity

Austenma • 29 points • 14 December, 2020 09:18 PM

WTF

SpringJonesOcean • 9 points • 15 December, 2020 06:18 AM

What the actual F!?! Any judge saying that needs to be removed from the bench and probably investigated.

SpaceC4se • 11 points • 15 December, 2020 04:42 AM

Not a compliment for skinny women and not a compliment in this scenario. Jesus. Not a compliment EVER! Come on bro... basic stuff like this is easy to understand. As it turns out, common sense is really not so common among the menfolk.

No_Energy7768 • 2 points • 15 December, 2020 11:54 AM

And this judge shows that educated (having a degree) does not mean smart since his critical thinking seems underdeveloped based on his reasoning.

Are there any Gulabi Gang chapters in the US? Asking for a friend

GlaeWitch • 3 points • 16 December, 2020 05:58 PM

As a group, men are misogynistic - not all of them by any means, but enough that a man with this philosophy can still be successful.. They need us and they hate that so they have to belittle us in order to keep us from realizing it. We could shut down the entire world if we could stick together, but we're weak and always fold.

climbergal928 • 6 points • 15 December, 2020 02:29 AM

☐☐☐ what the fuck?!

gothicctemptress • 2 points • 16 December, 2020 08:47 AM

I was once so emotionally abused by a LVM that when someone sexually assaulted me, I actually took it as a compliment! Lol

entpgirl415 • 1 point • 15 December, 2020 04:16 PM

Yeah I think 99% of men don't understand that if we get sexual attention from any other man it's a compliment and positive towards us. When I was 19 one of my professors made me feel extremely uncomfortable during class in front of everyone (kinda made some weird hitting on me joke), and when I told my male coworkers about this, which btw I specifically used the language of he made me feel uncomfortable and I told them what happened, one of them legit said to me stop he wasn't hitting on you stop exaggerating yourself. I'm like bro...

nobody said he was hitting on me. And he was all like oh.. I kid you not he still probably thinks I was trying to show off or something ☐

CoffeeAndCorpses • 1 point • 15 December, 2020 06:18 PM

As someone who was sexually harassed at 15 by a family member (and had my own stepfather use that same excuse, that I should have been 'flattered' because who else would be interested in my 'fat' 120lb self), I really want to hit this judge.
