Omg the hairstyles. That's one of the reasons I don't find men attractive anymore lol.

I dated a guy (Quebecois, of North African descent) like that. Was 30, ate nothing but oven pizza and takeout because he was too busy spending all his time outside of work playing Call Of Duty. Was too lazy to moisturize his curls, said he needed a "woman in his life" to do that for him. Bleugh.

I know if a gay man who told me he "wants a wife" because being an adult is hard and he wants someone to take care of all of those menial labor type of chores. ☐ Gtfo. God did not put women on this earth to wipe your grown ass, bruh.

Nope. There are lazy bums in every culture. I've seen so many families where the daughters are far more

successful and mature than the sons.

This is basically the Persian starter pack...or Lebanese

MadamLeFay • 25 points • 8 November, 2020 04:36 PM

Oh gawd, I think I dated one of those and he was *39 years old* at the time...

Adawritesrules • 2 points • 8 November, 2020 05:32 PM

You are braver than I am, I'm so embarrassed

MadamLeFay • 5 points • 8 November, 2020 06:12 PM

That facial expression makes me want to fold into myself until I disappear lmao

BigDebbie4ever • 2 points • 11 November, 2020 03:51 AM

That hit hardest

typeadhd • 7 points • 9 November, 2020 09:50 AM

Hahahaha!!

Also the type of guy to write on his tinder he is looking for women who can hold a conversation and no single moms meanwhile he was raised by a single mom pretty much cause his dad was trash and his mother did everything and they just stayed together for the kids and he treats women poorly and talks horribly to his mother

He also says school isn't for him and posts rise and grind Snapchat's every morning while he "gets money" meanwhile he's working a dead end job and comes home to smoke with weed with the boys

He also won't go down on a woman and is the type who is nice to you when he's trying to flirt but the second you reject him and fragile male ego is bruised he starts to abuse you

warinmy mind94 • 6 points • 9 November, 2020 06:34 AM

add the fact they lease a a Lexus and act like its a Lamborghini (I can't even spell it) and still live at home or in a dumpy apartment but they have the newest phones and \$500 pair of sneakers

--wellDAM-- • 4 points • 9 November, 2020 03:17 AM

Yikes, this entire starter pack applies to masc lesbians too. They can be exactly as bad as and even worse than toxic ass dudes.

ooftaboofa3 • 3 points • 9 November, 2020 04:05 AM

Ive got one of these on my snap and he hits legit every point!! And posts all the time about the girl he loves not loving him back and about being suicidal because of it, or just posting snaps of music playing with "□"... □

kimmna1027 • 3 points • 19 November, 2020 09:21 AM

somehow, every single trait you described is the epitome of a lvm i just blocked. he said that me expecting more than \$15 for my birthday is some "feminist ass bullshit" and he's tired of my "greedy, insecure ass." then he told me to leave him alone, as he usually does, knowing i don't have the courage to block him. wait for his surprise in the morning when i said "you got it" and did just that :)

yes, i could sit here all day and tell you horror stories about him but he doesn't deserve my mental space or attention. it was hard blocking him since i've been feeling lonely recently, but i'd rather be alone and at peace than with someone and miserable

The accuracy smh

NOTE: This sub does **NOT** support the commercial porn industry, as it is an institution that promotes and normalizes sexual aggression, incest, pedophilia, violence, racism, degradation, low sexual satisfaction, and objectification of women and girls, many of whom have been drugged, raped, misled, trafficked and otherwise coerced to appear on film.
