

Fat guy blue pill game question

1 upvotes | 14 March, 2021 | by empatheticapathetic

Ok here's an interesting situation. Hanging with a good friend of mine who's fat as Fuck. Been aware of this situation for a while. Has pure blue pill pro feminist game yet his hinge is 150+ matches. Tinder +50. Fucks a new girl every 2 days (his housemates verify plus he has pics). Gives zero fucks despite reposting feminist stories on his IG every day.

Does anyone have friends like this? Me and my friends are pursuing pure 'toxic' shit despite this guy killing more than anyone I know by being literally obese and feminist (he is definitely not as dominant as the crew based on his ultimate behaviours)

Me and my crew while working out discuss it while he's banging new girls daily honestly.

Can anyone relate?

Google the definition of "illusion", spend some time in self reflection, don't get caught up when you find deception, good luck.

aka fat blue is just a teddy bear.
