## I really dislike my sons fiancée.

I try. I try so hard to like her.

She's pretty. She's somewhat intelligent. She thinks she knows everything.

Her life has been very controlled and isolated. Her parents are nice as far as I can tell. There's definitely a secret about both of their lives before they married each other. Even their daughter (my sons fiancée) doesn't know their historical information. They don't talk about it.

She doesn't drive. She's 22. She's never tried.

She's got a degree to teach. She's never taught.

She worked briefly at a daycare. Great idea. \$70000 debt to make \$13/hr at a job anyone over 16 can do.

She brings nothing to his life. She brings no monies. No furnishings. Nothing but she sometimes makes him laugh and smile. Sometimes.

She's belittling. Belligerent and a princess. She instagrams selfies in full makeup with writings like "sunshine comes only from within..".

I don't like her. She's a user. I dislike users.

Her son is dating a typical woman in 2021. This is what's out there, gentlemen.

Slaide • 96 points • 26 April, 2021 01:37 AM\*

OH MAN, where is the signing up form?!

And by signing up, I mean sign them up to the asylum.

IamGeorgeNoory • 59 points • 26 April, 2021 02:16 AM

And as you get older it only gets worse.

Thomasriddle01 • 55 points • 26 April, 2021 03:09 AM

Yeah, you would think that as they get older and gain more experience that they would get better but no. Women refuse to learn. Every time something doesn't go their way they assume that everything was someone else's fault. This way they never grow, but they do become pickier and more entitled. Then they rationalize their pickiness by saying that they "now know their worth," and that "they know what they wont put up with." If anything the become less mature as they age.

RedEyeBlackEye1 • 37 points • 26 April, 2021 05:35 AM

Less mature + more age + more mileage + less beautiful + more batshit crazy + more demanding + more deceitful = **nope the fuck out(ntfo)<sup>2</sup>**

ncarolina66 • 5 points • 26 April, 2021 12:46 PM

You left out....+ more cats

RedEyeBlackEye1 • 1 point • 27 April, 2021 11:33 AM

Oh it's in there buddy.

more batshit crazy=(more cats x hamster)<sup>2</sup>

justiceavenger2 • 13 points • 26 April, 2021 05:17 AM

Every time something doesn't go their way they assume that everything was someone else's fault.

Alt right white supremacist misogynistic racist homophobic systematic fat phobic gender social constructs Drumpf supporters are the problem. Not the women themselves lol.

The\_Meep\_Lord • 3 points • 26 April, 2021 02:06 PM

It is because they are spoiled when young to the point that they never grow up.

While men grow up so they become more mature and so women look less mature because they stayed the same.

deathtocontrollers5 points 26 April, 2021 03:22 AM\* **[recovered]**

Yeah because as women get older, they come with more baggage. And the average male is kind of forced to date around his age.

NohoTwoPointOh • 2 points • 26 April, 2021 11:23 AM

If you absolutely MUST date, then you absolutely MUST do whatever you can not to be average.

deathtocontrollers1 points 26 April, 2021 02:52 PM\* **[recovered]**

If you are average though, then there's nothing you can do about it. You can't really grow a bigger dick, get a better looking face and start making millions etc or become a celebrity etc... Nowadays women have insanely high standards, so they consider like 80% to 90% of men to be average. Your options will be becoming a MGTOW or having to risk your life while dumpster diving(something most non MGTOW males are doomed to do for the rest of their life).

NohoTwoPointOh • 7 points • 26 April, 2021 08:22 PM

There are plenty of ways to become above average in many arenas.

Too doughy? Stop eating rubbish and pray to the Iron God.

Too boring? Join an organization like Toastmasters and work on your speaking.

Dress too average? There are plenty of style consultants in every country.

Don't make enough money? Woman or no woman, improve your skills.

This nihilist view that our position is immutable is nonsense. Can I turn into Tom Brady?

Definitely not. Can I improve from where I am and go from mediocre to notable? With hard work and gatsu, absolutely. And it is 1000x more fulfilling if I am doing it for myself instead of doing it for someone else.

The\_Meep\_Lord • 3 points • 26 April, 2021 02:06 PM

Or just buy a hooker and forget it.

Cursedwithknowing • 13 points • 26 April, 2021 02:36 AM

This. This is the current state of women, or, in other words, AWALT.

fractal97 • 12 points • 26 April, 2021 04:55 AM

I could live with no value, but bitching, belittling and entitlement of a princess, not even in a dream anymore.

PhantasyBoy • 7 points • 26 April, 2021 08:00 AM

She forgot to add that she is constantly stooped over looking at her phone.

realChebz • 3 points • 26 April, 2021 09:15 AM

sunshine comes within motherfacka!

sorearm • 2 points • 26 April, 2021 09:13 AM

ain't that the truth

Dejesus\_H\_Christian • 2 points • 26 April, 2021 12:09 PM

Yeah like literally who the fuck else is he supposed to date that doesn't have these qualities?

The son needs to wake the dad up and tell him to look around at what his options are, what he has to deal with when choosing a partner. At least she sounds pleasant, and pretty, and is not a 300lbs beast, yet. That's

almost enough. Just get her a cashiers job and tell her to pay off her own debt.

Black\_Jackel • 94 points • 26 April, 2021 01:10 AM

How about u try to save ur sons future?

Slaide • 160 points • 26 April, 2021 01:38 AM

You can't save someone who doesn't want to be saved.

The\_Meep\_Lord • 23 points • 26 April, 2021 02:06 AM

This.

The best she could have done is just not lie to men about women in the first place to prevent this situation from ever occurring to begin with.

Dark\_Shroud • 3 points • 26 April, 2021 05:35 PM

Many women are now dealing with bitchy daughter in-laws after raising their son's to be feminist doormats.

the\_arab\_shrek2 • 28 points • 26 April, 2021 01:21 AM

Nah that would be too hard. Also female own group preference.

NickTesla2018 • 19 points • 26 April, 2021 01:21 AM

Upvote. FDS left their cave this weekend.

deathtocontrollers6 points 26 April, 2021 03:24 AM\* **[recovered]**

If you try to save someone against their will, it will backfire.

mma135791 points 26 April, 2021 08:07 AM\* **[recovered]**

Yeah, I mean he could force him and it'd problem help his son in the long run. But it would likely ruin his relationship with his son so not worth it. Sometimes when it comes to dating you gotta let people realise this shit by living it, jus hope they don't get married or knocked up before he realises.

The dad should at least keep telling him not to marry or have kids yet.

ncarolina66 • 2 points • 26 April, 2021 12:49 PM

The dad should at least keep telling him not to marry or have kids yet.

I'd replace "yet" with "ever".....

I've had warnings from my own sister - "you don't know what women are like!"

MuricanCapitalist97 • 45 points • 26 April, 2021 01:24 AM

Oh my. Guess he just didn't find a "good one". Time to start looking under rocks to see if he can find the unicorn that NAWALT mother will approve

Donkeykong447 • 10 points • 26 April, 2021 04:40 AM

Bro you just didn't find the right one keep looking

Legs2Big\_0 • 9 points • 26 April, 2021 01:28 PM

He just needs my masculine frame holding PDF courses ☐ ☐ starting at \$10k (previously at \$100k, it's a deal). I got 1 billion lays so trust me, bro.

you made me spill my coffee laughing, lol

gentle\_lemon • 25 points • 26 April, 2021 01:30 AM

Sounds like the mom is intimidated or seeing a threat to her access to his resources.

digitalnomad4 • 6 points • 26 April, 2021 02:22 PM

Most mothers actually want the best for their kids.

NewLife\_2017 • 2 points • 26 April, 2021 04:17 PM

I can agree. My mom didn't like any of her boy's girlfriends/wives. She has since passed, and I have also MGYOW (ish), and clearly can see why.

Marfi09[S] • 1 point • 28 June, 2021 11:55 PM

Respect for your mother.

trump4president2024 • 27 points • 26 April, 2021 02:37 AM

MGTOWayoflife • 1 point • 26 April, 2021 07:41 PM

Apart from the fact that she doesn't drive.

zucine • 30 points • 26 April, 2021 02:43 AM

This is exactly who I dated in my early 20s. Sometimes you need to learn a lesson the hard way.

TheOddYehudi919 • 13 points • 26 April, 2021 01:57 AM

I can't wait until 2049

iseedeer • 13 points • 26 April, 2021 02:33 AM

Something about a pot and kettle and which is black...

Can't remember how it goes...

meegtower • 2 points • 26 April, 2021 11:25 AM

I believe it goes that you don't boil kettle on campfire because it'll turn black with soot, so you use gas stove for that instead.

Oh wait it's just a camping anime reference.

geo\_gan • 1 point • 26 April, 2021 01:42 PM

It's: "Like the pot calling the kettle black"

(not very politically correct saying nowadays!)

Nighthanger • 10 points • 26 April, 2021 04:21 AM

Typical woman posts "sunshine come from within" ☐

liberalbutnotcrazy • 8 points • 26 April, 2021 03:38 AM

Yup white knights top to bottom

BlueCollarSinner • 7 points • 26 April, 2021 03:33 AM

Looks like she found a ATM in that son.

Third\_Gray\_Monkey • 4 points • 26 April, 2021 03:14 AM

Honestly this kind of stuff should be flagged with a banner that says: WHO GIVES A FUCK?! WELCOME TO THE CLOWN WORLD.

iSkoro • 6 points • 26 April, 2021 04:19 AM

Anyone got a link to the thread?

OwenWentFullMGTOw • 5 points • 26 April, 2021 04:38 AM

If she's an actual Daddy's Little Princess, she'll be a fucking nightmare after the wedding day.

PrestigiousCarpet8 • 5 points • 26 April, 2021 10:10 AM

This is the parents doing. They raised him to treat women like they are queens. Why are they surprised she treats him like a peasant? See ya in a few years fella.

cannuckgamer • 5 points • 26 April, 2021 02:55 AM

His son's screwed.

sardoonoomsy • 3 points • 26 April, 2021 09:34 AM

Fuck me is there a factory these thots come from? My ex-wife must be straight from that same assembly line!

Marfi09[S] • 3 points • 26 April, 2021 10:32 AM

School, girl friends, social media, pyromaniac society. And you get a strong independent woman like her with 70k debt garbage degree, thotting in Instagram and living in easy mode until the trad cuck is ripe enough for divorce in the 30s.

lastlaugh100 • 2 points • 26 April, 2021 04:01 AM

Good god

Exister\_RS • 2 points • 26 April, 2021 06:48 AM

Poor kid still stepping in shit. ☐☐☐

holdthecreamer • 2 points • 26 April, 2021 11:44 AM

This is what happens when parents, especially fathers in this context, are disconnected from choosing the marriage partners of their children. This would have been a hard No for me. The fact that he chose a woman like this would be an indictment of their parenting.

MGTOWIF7xEtsJyj • 2 points • 26 April, 2021 11:49 AM

Projection, the Mom is also all those things.

crackj3p3 • 2 points • 27 April, 2021 02:27 AM

The sad part is that this is the best he is going to get... and it's only going to get worse from here... and things are already bad. Not simping say he should cuck himself to her with a ring, but... its only downhill from here. Its all fucked. Buy a doll and go your own way

chtrchr\_pussyeater • 1 point • 26 April, 2021 08:41 AM

Sheesh I hope she can get her student loans reduced... Poor kid /s

Ozznik • 1 point • 26 April, 2021 01:42 PM

Where was this from?

redditradishman • 1 point • 26 April, 2021 01:57 PM

She has a vagina Mom... that's all she needs for most men.

beacon\_o\_hope • 1 point • 26 April, 2021 03:18 PM

I was that guy when I was married. Every time I remember, I wanna bang my head against a wall for the stupid things I've done.

[deleted] • 1 point • 26 April, 2021 05:57 PM

Guy is fucked

MakeItSoQ • 1 point • 26 April, 2021 07:48 PM

This made me laugh. Having been married, I think this happens because girls are raised now to believe that any expectations of them is sexist. This person described sounds very entitled.

aad7990 • 1 point • 26 April, 2021 09:04 PM

So your saying she is an average woman..

justaguy529 • 1 point • 26 April, 2021 09:57 PM

no, sunshine comes from the sun. it's in the title you vapid ho

TheSmartTraeder • 1 point • 26 April, 2021 11:47 PM

Honestly, from reading this description she sounds like a top 20% girl considering current standards for them. As far as I could see there was no mention of any mental illnesses or feminism nor does she sound overweight (And she is still 22). This alone should already put her very far at the top.

[deleted] • 1 point • 27 April, 2021 09:38 AM

AWALT. No woman brings anything other than misery and bills.

hypnotized • 1 point • 1 May, 2021 01:06 AM

migestorff- • 0 points • 26 April, 2021 07:41 PM

making 1560\$ each month sounds good to me, thinking minimal wage here is 460\$ dollars aprox, people have to feed their whole family with that and reach the next month.

fucking good to live in this fucked country.
