Life in tutorial mode.

You can't fuck up or fail in life as a woman.

Bro my little sister is a meth addict who hasn't worked more than three months out of the last four years. She's gets her housing paid for, food stamps, pretty much anything she needs to live.

I, on the other hand, work 40 hours a week, making more than average in my area, and am at risk of being homeless because nobody wants to rent to a single male who has one non violent arrest from two years ago and an arrest I couldn't get taken off my record from middle school.

RevolutionaryEnd2 • 54 points • 15 April, 2021 12:08 PM

Have you tried being a woman?

94GALLONSoHate • 39 points • 15 April, 2021 12:20 PM

I'll just start wearing all dress to the housing authority and social security office. They'll give me everything I need otherwise it's transphobic!

Also, fuck simps who allow this.

Doesn't excuse her, but fuck them for rewarding this shit.

The offence would normally carry a custodial sentence but she was spared jail because of her academic record, a decision which sparked furious claims of the judicial system being weighted in favour of those with privileged backgrounds.

... or vaginas.

FuckTheTOS • 2 points • 15 April, 2021 04:21 PM

What's the difference?

redditormaster797 • 25 points • 15 April, 2021 07:54 AM

Probably the russian is some sadistic fuck and they will indeed go around stabbing russians.

yogoya644 • 23 points • 15 April, 2021 07:57 AM

Nah, his father will take care of it if he won't.

Thinkingman21 • 20 points • 15 April, 2021 02:52 PM*

All the Russian villages he could own and run and literally be in charge of in Russia and all the Russian beauties he could have married, and he marries a c#nt who stabs males. Simps man simps...even their blue pill self isn't logical to their blue pill ideology.

silent_hedges • 3 points • 16 April, 2021 01:14 AM

His fault, if he has a billion dollars he should be vetting his girlfriends.

Madmoxiii • 17 points • 15 April, 2021 01:20 PM

Honestly, he's the son of a Russian oligarch, she will live the rest of her life in fear after the first time he beats the shit out of her after she tries some shit like that with him.

Poor bastard. When she does stab him, he is hosed. She will claim self defense and he will get arrested if he lives. Knives are deadly.

In a few more years, you can add “divorces son of super-rich Russian oligarch and now has a net worth of \$650 million.”
