What do you say to someone that says “she was asking for it” ??? That logic is so flawed and I cannot grasp any sane human to think like that.. I am always taken aback when a boy says that to me that I am at lost for words..

“I don’t get it, could you explain it to me?”

Just light em on fire. Obviously they were asking for it, their clothes ARE cotton☐☐ what do they expect, cotton is flammable. Maybe they should of dressed better☐

Anything to put the blame away from any man, the mental gymnastics is unfathomable for doing so.

There’s the little voice inside of me that imagines decking the jerk in the face. And when he screams “What the hell did you do that for?!” in pain. I answer “You were asking for it.”

Big-Respond8481 • 7 points • 14 April, 2021 04:36 PM

Idk, the best response would be to slap them in their face and say: "You talk so dumb, you were asking for it".
