

How would you react in this situation?

March 13, 2021 | 7 upvotes | by [bigtoeneedhelp](#)

My friends and I often go out into town to get drunk and talk to groups of strangers on the street since all clubs and pubs are closed.

Every time we come up to a group of girls my friends will point to me and say “Look how handsome he is”

Now I’m not ugly but i’m not anything special, my problem is I have no idea what to say in the moment. I don’t know how I’m supposed to react to that statement. Any ideas would be helpful, thanks.

Maybe tell your friends not to act like autists.

they're chads, I'm learning from them

FatRPNewbie • 11 points • 13 March, 2021 12:27 PM

And yet, you're here...

So fuck them already.

hellionmma • 9 points • 13 March, 2021 08:42 AM

Laugh/smirk. Then continue my conversation with them. I wouldn't give it much attention.

adomuzas • 17 points • 13 March, 2021 11:25 AM

Agree and amplify - "Yeah, mister universe over here" while pointing thumbs at yourself. Flip - "For the last time Josh you can't kiss me if you tell me I'm handsome". Or Don't even acknowledge and continue the conversation. Basic shit test responses.

They are helping you by giving you a shit test and based on your response the girls can see how is your frame. Just don't act emotional or insecure.

"Yeah, mister universe over here"

Holy cringe, cock blocking yourself.

The other one was pretty funny actually

If his delivery is good he can pull it off

[deleted] • 1 point • 13 March, 2021 02:03 PM

No, not even Dicaprio could pull that cringe off, girls don't know comedy. If the guy is alpha and hot

and rich they will laugh at anything, OP is the ugly duckling confirming to strangers that his friends of years think lesser of him then some slabs of meat they met 5 minutes ago.

I actually have been told i look like decaprio multiple times and you can pull it off. I once called myself champagne papi and it worked wonders.

Yeah, whatever you say the red pill forum guy. Take me for a ride in your private jet one day too.

familiarfolly • 1 point • 13 March, 2021 02:41 PM

believe or not that kind of corny line can absolutely work...medium not message. delivery matters more than you realize. you seem inexperienced.

[deleted] • 1 point • 13 March, 2021 02:51 PM

For a moment there I thought OP said he was the beta in the group among chads.

clickherebaby • 1 point • 13 March, 2021 02:43 PM

Aye it's true man. Im not that good with women either. My point is that it is possible. There are things my friends have done that i dont believe but thats just me projecting. I just wrote on another post saying how my buddy sent a dick pic to a tinder girl he never met and it worked, she responded well to it. I think a lot of people in this sub (myself included) doubt way too much sometimes.

[deleted] • 1 point • 13 March, 2021 02:50 PM

Lol yeah, 1. Looks mean nothing for girls. 2. you believe whatever your friends tell you and 3. She responded well means that he's the 20th dude to fall for the trick of sending private photos to some random hoe to make HER feel special.
Lift your game.

Hahahah

[deleted] • 4 points • 13 March, 2021 01:49 PM

"Friends" using you as a funny joke in order to make themselves the center of the room. Dump your friends who are cockblocking you and disrespecting you 'bcos fresh pussy is around'

HillaryRodhamFan • 1 point • 13 March, 2021 11:26 AM

If you react you're in his frame. Give no care for what he said, like no one else exists but you.

Taipoe • 1 point • 13 March, 2021 12:09 PM

Just laugh it off and continue convo they are just fucking around so have fun with it too

Guzzy9 • -1 points • 13 March, 2021 08:31 AM

Keep frame and play along, without giving the vibe that you are boasting, or, accepting what they say too much -

best approach is situational, spontaneous, humour. It can be slightly self deprecating, not too much again.

Random example: "Look how handsome he is!" You: "ye, I got 2 beautifully grown and groomed hands" *and you do the Jazz hands

Now above example can be either totally cringe, or totally hilarious - that's up to your frame :)
