

Is there a generally good response to a "I love it when you don't respond" text?

I get this a lot. Sometimes I just don't feel like responding or am busy. Also, would you respond differently if you had a valid reason for going NC (like the girl disrespecting you)?

I just got that text and went with "one of my most charming qualities isn't it" Thimk i'm getting better at AA.

Don't acknowledge it. Lead into setting up dates/bang time.

That is her subtle way of saying that you are attracting her and she doesn't know why

No response unless you're setting up your next flesh-to-flesh meeting.
