

AMA with Return of Kings' Tuthmosis Wednesday Night 7PM EST

47 upvotes | 9 December, 2013 | by redpillschool

Just a quick announcement, [Return of Kings' Tuthmosis](#) will be joining us **Wednesday Night (11th) at 7pm EST** for an AMA. Feel free to stop by and chat, and ask any questions that might come up.

Tuthmosis has been in the news and blowing up the twitterverse recently due to some controversy related to the recent articles such as:

["5 Reasons To Date A Girl With An Eating Disorder"](#)

["24 Signs She's A Slut"](#)

[Here's his twitter](#)

See you all at 7pm.

(sidenote: the term "twitterverse" is absolutely fucking stupid I know)

Edit: Starting in just a minute, please hold

Double edit: New AMA will be stickied shortly

funny, isn't it? considering that getting them to rage is so laughably easy

AWiseBro • 19 points • 9 December, 2013 11:18 PM

Hope the mods are prepped for the influx of trolls that will follow suit.

TRPsubmitter • 13 points • 10 December, 2013 05:43 AM

Someone just came into TRP and trolled and I found this in their comment history.

<http://redditlog.com/snapshot/30326/37045>

They are already preparing to brigade the entire AMA

rebuildingMyself • 17 points • 10 December, 2013 07:08 AM

Someone wanting to discuss something I don't like? To the slutmobile!

RedSunBlue • 8 points • 10 December, 2013 08:05 AM

Jesus, they are blatantly planning and encouraging a brigade on another sub.

Isn't that grounds for removal?

redpillschool[S] • 16 points • 10 December, 2013 02:09 PM

Isn't that grounds for removal?

Only if you're us.

rebuildingMyself • 2 points • 11 December, 2013 03:52 AM

Lol even r/SRSSucks got neutered. Who watches the watchmen?

TRPsubmitter • 7 points • 10 December, 2013 08:16 AM

Just take a look through this /r/thebluepill thread: <http://redditlog.com/snapshot/30335/37055>

IS THERE ENOUGH GAS IN THE TROLLMOBILE FOR THIS???????

Start commenting with your fake accounts now

The author on Jezebel who wrote a recent article on this twerp needs to know about this. I'm sure she'll have some good questions.

bsutansalt • 2 points • 12 December, 2013 12:26 AM

I just went on a preemptive banning spree, so hopefully that'll tone down the trolling.

30303030303030 • 4 points • 10 December, 2013 07:57 PM

Just ignore them, mods will delete left and right but rest of us should be blind to their trolling.
Of course if we did the same this sub would be gone in 10 minutes but let's not go there.
It is what it is. Ignore.

rebuildingMyself • 2 points • 11 December, 2013 03:51 AM

SRS gets a puzay/mangina pass because the admins support them.

puaSenator • 5 points • 11 December, 2013 09:06 PM

The brigade is only going to help him and TRP in general. It will be controversial, will likely get posted all over subredditdrama, and will likely raise even more exposure. See this is a good thing. Most people that find TRP is because of the controversy they hear on Reddit. Then they go check it out themselves. Some refuse to look into it, and come in with a bias, while others try and look at it objectively. Either way, at the end of the day, the more controversy, the more subscribers we'll get.

I've been noticing the monthly growth rate of this sub is quite remarkable.

puaSenator • 3 points • 12 December, 2013 12:23 AM

25% in just a month. Granted, quality tends to go down during these spurts.

bsutansalt • 2 points • 12 December, 2013 12:19 AM

those folks won't be a problem

[deleted] • 0 points • 11 December, 2013 09:52 AM

That brigade can go fuck themselves. I'll stand shoulder to shoulder with my brothers when this goes down. Bring it you pussy beta fools!

[deleted] • 6 points • 11 December, 2013 06:54 PM

Public service announcement: When the trolls do start pouring, and if you accidentally give in the the bait, please use quotation marks on the shit you're replying to. Because they're bound to be deleted and I'm sure many of us would like some context when the smoke clears.

TRPsubmitter • 7 points • 11 December, 2013 07:31 PM

And LIBERAL use of the REPORT button.

Also it's not a bad idea to screenshot your comments for later

bsutansalt • 2 points • 12 December, 2013 12:27 AM

As a mod I would like to +1 this comment. Reporting questionable threads/posts is the best way to handle trolling.

x7CR7x • 5 points • 9 December, 2013 11:54 PM

Mods should screen people, I can see this becoming a clusterfuck of trolls.

IPlayUkulele • 3 points • 10 December, 2013 01:51 AM

Feminist friends were bitching about the article.

They don't know I've read just about every single one of his articles.

IllimitableMan • 3 points • 9 December, 2013 10:58 PM

7PM EST... I'll be in bed or working on an assignment. Would love to stop by but not logistically possible, will read the comments on the thursday night.

redpillshadow • 3 points • 10 December, 2013 02:03 AM

That is going to be so awesome. Great advertisement for the sub. Hate spewing manginas, white knights and feminists won't be able to help themselves from preaching. Interesting questions can be easily reached via the controversial queue. Misandry and NAFALT feminists on top.

And free house a huge ad on SRD which might even make /r/all.

SE17 • 3 points • 10 December, 2013 02:33 AM

Who would've known he'd go from a great mod on rvf to a huge internet rage sensation. This really shows how fast the manosphere is expanding. RoK has become so big so fast that it's incredible. At this rate I really wonder what things will be like in 5 years time.

latrodectus02 • 4 points • 10 December, 2013 06:15 AM

It is really interesting to see how ROK has taken off. Men are tired of the bullshit society has thrown at us. The success of red pill ideologies is the embodiment of the collective rage we feel.

Rollo-Tomassi • 2 points • 11 December, 2013 11:41 PM

Who wants the over/under bet on death-dismemberment threats posted?

xAorta • 1 point • 12 December, 2013 12:00 AM

While also calling for everyone to be more tolerant.

GushyWetWet15 • 2 points • 10 December, 2013 10:59 AM

i can already see the butthurt coming out of the manginas over at tbp.

[deleted] • 2 points • 10 December, 2013 06:06 AM

I'm all over this...

Can't wait to annihilate trolls.

3x100 • 1 point • 12 December, 2013 12:37 AM

What would exposing your identity mean to your life?

I've never read those articles before...wow check the comments...the beta is strong there. I felt violated reading their driveling tripe, and left dirty.

TRP, momentarily

LouieG • -1 points • 12 December, 2013 12:10 AM

Between your articles on RoK, some of Forney's stuff, and shit like this -

<https://medium.com/napalm-mag/ed0f0435f0d1> - there's been some A++ trolling going down in the manosphere lately.

What's your philosophy on trolling - Is it to spread the message? For fun? & do you think the other side will ever wise up and stop reacting with such hysterics?

redpillschool[S] • 0 points • 12 December, 2013 12:13 AM

hang on, AMA starting in a minute.

bigruss1 • 0 points • 12 December, 2013 12:38 AM

any thing yet?
