Who cares what a former CEO says. What does the current CEO have to say about this oppression?

markinsinz7 • 2 points • 28 September, 2018 07:29 PM

How do u really think he became the current ceo? No ceo generally likes to give up such a position of power no matter how 'fullfilled' their mission was. Behind the scenes rhey were fed up with the feminine bitch of a shareholder board

Did it already get banned? I was gonna archive done posts after work today.

damaged_goods420 • 5 points • 28 September, 2018 01:47 PM

If you end up archiving everything, I'd love a link

pwnacus • 4 points • 28 September, 2018 01:55 PM

For sure man. I'm not archiving everything, because there's a lot of repeat stuff (field reports and the like) that aren't necessary. But the gems I've found in definitely going to try and keep. There's also a rumor that our saved posts were removed, but I'll have to check that once I'm off work

Thanks for the heads up. Didn't see it on my subs on my phone. Here's to hoping the forum comes to life now.

What are you using it archive posts? I tried doing it with archive.is, but when it loaded up, the page was mostly blank with a few items showing up. Any idea what I'm doing wrong?

pwnacus • 2 points • 28 September, 2018 05:46 PM

Another user recommended github. There's a link I have (haven't investigated it), that I can share here once I'm home.

the-cat-kill • 2 points • 28 September, 2018 07:44 PM

Was there a specific post that got it banned?

SAPPHIREAURA • 1 point • 29 September, 2018 02:22 AM
