

Message heard.

I've been deeply moved and humbled by the overwhelming response to my post announcing that I planned on shutting down the blog. I've reconsidered and decided* to leave the blog up but shut down commenting in a few days.

Thank you again for your words of encouragement and your prayers. Words cannot adequately express my gratitude. Likewise, you have been and will continue to be in my prayers.

*I don't know what the future holds so at some point I may have to revisit this question, but for now I plan on leaving the content up.
