

Thug-fucking 101 – A display of hard dominance

Krauser PUA | 15 August, 2012 | by krauserpua

Much is made of “alpha” within the manosphere. With it being a desired label for many men, both for the ego and it’s promises of access to unlimited hot girls, [there are competing and often self-serving definitions](#). I’m not immune to this but I do find alot of misleading rubbish it written on the term. Here’s some of it:

- **Alpha female.** There is no such thing because women do not have a dominance hierarchy. There is a mother hen who, in the absence of a willing male, will take upon herself the male leadership role. There are strong independent women of the feminist wet dream but these females are considerably less attractive than their peers and utterly unable to command attractive male followers. There’s also incredibly hot tier-1 women but that’s all they are – hot women – they are not leaders who use that leadership to raise their sexual market value. Alpha only applies to males.
- **Hero alpha.** The squad leader who charges the machine gun nest and wins a Victoria Cross is not necessarily alpha. He is a high-level beta who channels Warrior energy. For all his stand-out bravery (which I don’t denigrate, it’s very admirable) he is following someone else’s cause. That’s beta.
- **Ghetto alpha.** The Rawness did [a great post](#) on the myth of the ghetto alpha (think of lesser 50 Cents or Kanye West type characters). He describes it better than me but the summary is that they are mommies boys, products of fatherless homes, who grow into a testosterone-fuelled caricature of masculinity. That’s why accomplished men instinctively look down on them and the girls they pull are trash.

Some non-alphas, yesterday

In the UK we have our own version of the ghetto alpha who is spawned by the suffocating welfare state, ruined school system, and chav-farming of [the socialist client state](#). They are found deep within social housing estates, a product of three generations of unemployment. Most such men become withdrawn, nervous husks but some are able to work their ecosystem well to impregnate many low class women and foist child-rearing costs onto the honest taxpayer. Those of you with a passion for wading through the scum of society needs only search for Jeremy Kyle on youtube. He’s a freak-wrangler of the highest order. Here’s a clip where one such “alpha” makes an appearance. It’s an educational video. Watch for all his flashes of hard dominance as the video progresses. I in no way suggest readers emulate this dickhead but there’s a reason men like this score pussy. My commentary is below.

0:05 – The whole issue is he seems to be cheating on his girl and fathering children. Pre-selection, abundance, untameable.

0:10 – unhurried arrogant shuffle into the studio and unfazed by crowd. He’s already aggressively pushing his frame out.

0:15 – WhiteKnight host immediately tries a frame grab and amog. Instinctive push-back and state control, strong eye contact. He’s not letting WK pull him into the accusational moralistic frame.

0:24 – This is very aggressive amogging from the WK on his own turf, with a pre-heated waiting-to-be-outraged lynch mob, and burly security. GA lets it roll off and doesn’t break. His frame is holding.

0:27 – Laconic sprawling body language and counter-challenge. He knows the host is trying to belittle

him so he confronts it. He's not conforming to the Polite Guest frame.

0:33 – He's right. The host is giving him a dirty look. Can't let it go unchallenged.

0:36 – That's a pretty girl. Ostensibly way out of his class, and she's tingling at this display of hard dominance.

0:46 – At this point the chav has done nothing wrong and he hasn't lost his rag.

1:15 – A take-away. He's utterly unwilling to let his frame be broken. This is going to mess up the host's show. While the whole of the situation is designed to render him powerless, he knows the one this he has is the ability to withhold drama from a drama-hungry audience.

1:40 – Finally, he concedes some frame. Remember I'm not holding him up as a hero, merely an interesting example of a ghetto alpha.

1:50 – As an aside, who do you think is banging hotter and more plentiful young women, the chav or the white knight? Actually it's a tough call. Jeremy Kyle has done better than the average man with the masculinised old woman he wifed up.

2:54 – Deny deny deny. No supplication.

4:28 – He'd rather spend money on aftershave than buy stuff for the baby. Deplorable..... self absorption.

4:50 – Notice he still hasn't shifted out of his laconic, even-voiced, barely-moving state while everyone around him gets agitated. Also notice how cowed the girl is, unwilling to join the witchunt against her man.

6:06 – “Why are you going around having unprotected sex with women when you can't even run your own life effectively”. Of course the women have no responsibility for getting themselves pregnant. The host doesn't seem to realise he's DHVing his guest.

7:44 – Predictable lack of outrage from the girl. She knows and her hindbrain doesn't care. She's using this show to try to keep him, not push him away.

9:28 – He's the proud father-to-be of two. Job done, go home. Frame remains intact.
