

Four days, four 20yr old virgins

Krauser PUA | 22 April, 2011 | by krauserpua

People tell me my drunk text/chat game is shockingly bad. Perhaps. When I'm drunk I don't care. I've just been out with **Burto** tonight in Camden and bagged us a pair of Finnish au pairs (video might follow). I'm drunk as I type. Here's a chat I'm on with the [Polish virgin](#).

This is actually the *fourth* 20yr old European virgin I've been dallying with this week, weird as that sounds. So far it's been:

"Deflower me!"

- **Monday:** second date with the [Greek virgin](#). Facefucking, fingering then LMR. Send her home. She texts me back on Wednesday saying she wants to come visit again before she goes back to her debt-ridden hounous-eating boy-raping shithole country.
- **Tuesday:** the Polish virgin tells me she wishes I was popping by her hometown this week so I could fuck her.
- **Wednesday:** [Lithuanian virgin](#) stops by my house for the BBQ. Under [Tony T](#)'s wise tutelage I run pure comfort and no escalation. This is the long haul.
- **Thursday:** Romanian virgin flakes on our date half an hour before the meet. I tell her to fuck off. DD-cup and all.

Anyhow. Thursday night and we've rustled up more targets. I come home and start harassing my network. Polish virgin obliges as follows. There's no analysis. There's not much to learn here.

Me: blegh!

Her: pff nice to "see you" too :P:P:P

Me: I've been drinking

Her: ojojoj

Me: that makes no sense, woman

Her: huh? why?

Me: ojojojblahblah

Her: ahah;) did you drinking alone?!

Me: no way. Been out in Camden with my friend [\[fat useless Aussie cunt\]](#) causing trouble

Her: not good:P → trouble:P

Me: I'm a horrible bastard

Her: no way! I disagree

Me: heh

Her: why you think, that you're bastard?

Me: Maybe I need to tie you to my bed and do rough things to you.

Her: do you think that then I will believe you, that you're bastard? wrong

Me: no, not that I just want to do it to you

Her: really? hmm I think that you want to do it with every younger woman

Me: nope you have trouble believing I like you

Her: or.... you want me, because I'm a virgin... and this is something like...hmm.... challenge ...?

Me: that's 10% the 90% is I like you

Her: thank you:) it's so nice:)

Me: Hmmm, I need to be more horrible..... 😊 ok, I've got it ! I want to..... wait until you are cooking my dinner.... then I'll come into the kitchen pull up your skirt and fuck you in the ass until you scream my name then I'll go and watch TV

Her: you aren't like this man.... ! I know that!

Me: blegh

Her: it's your mask

Me: hmmm, so what is the real me?

Her: for me?;) heheh

Me: yes

Her: uumm... nice, protective, caring man sweet

Me: oh dear.... NO! I'm tough, rough, bad!

Her: you're stupid! you aren't having to pretend

Me: heh enough talk about me tell me something

Her: I want to have holidays !

Me: where do you want to go?

Her: hmm Spain... or somewhere, where will be warm hehe

Me: and what will you wear?

Her: bikini... or dress

Me: big difference show me

Her: [link]

Birds don't get it

Me: 4/10

Her: but it is only a shape !! you are too demanding

Me: you mean the dress, or the girl?

Her: dress

Me: ah If you wear that, I won't fuck you I want something sexier try again

Her: you have imagination, you can imagine what I have under the dress, it is not a problem ☐

Me: that's too much work show me a photo

Her: you should try, if you want me ☐

Me: hmmm I want to put my cock in your mouth heh! that stopped you!

Her: still...I'm in shock ☐ are you being drunk still ? ☐

Me: yes but what do you think? (about my cock in your mouth)

Her: do you intend to have the wife?

Me: that's totally NOT an answer

Her: haha ☐ it's similar:D because if you say: yes, and I'll be her... I'll say, that it's ok (your cock in my mouth) ☐

Me: It's not so easy to be my wife This is your list of duties..... 1. suck my cock 2. cook my food 3. iron my shirts 4. clean my house 5. feed my dog can you do all of these?

Her: you are irritating me ☐ pfff

Me: I think you are turned on

Her: but.. me? now? NO!

Me: finish your sentence

Her: but your list isn't difficult (apart from point 1) ☐

Me: ok, we're getting married shall we do it in a castle or a church?

Her: but as your wife, I must accept him and it is my duty

Me: +20

Her: church! of course ☐

Me: You'll enjoy it, you know. Girls ALWAYS think they won't. And then they do. You'll need a big white dress and lots of bridesmaids we'll have red wine, not white

Her: why big white dress?! no way! not big

Me: we'll have a huge hotel room, with a double bed and a big ivory bath in the middle of the room the view from the window will be fields, a stream, and the edge of a big forest

Her: in Poland ☐

Me: No. Poland is boring

Her: not true

Me: At the wedding, I'll tell everyone I love you, that I'll protect you, and all that stuff then I'll pick you up and carry you to my room bend you over the bath

Her: you couldn't see, where I live

Me: and fuck you in the ass

Her: you are horrible but still I think, that you're nice guy:P

Me: hahahaha, I am SOOOOOO gonna take your virginity

Her: dreamer ☐
